Two Birds with One Stone Sigrid Vansandt, 2021-02-23 Praise for this Cozy Murder Mystery *Two Birds With One Stone* I was captivated by the first page Cozyreaders Amazon.com Always a good sign when the first book in a series grabs my attention in the first paragraph and never lets go But then I have a weakness for well-written English cozies Yes that the two main characters who seemingly had nothing in common would become fast friends was predictable but it's to Ms Vansandt's credit that their individual strengths and weaknesses were anything but Looking forward to the next installments Joanna M amazon.com This was fun reading with good characters and plenty of twists in the plot The personalities of the two main characters make a good contrast I like the way they play off each other Good suspense to the end Thought I had the villain all figured out but in the end I was fooled completely Good read for a first-time author Looking forward to what else she writes next Surley R amazon.com About the Mystery It's a beautiful summer and the busy village of Marsden Lacey England has murder on its mind Someone just whacked everyone's least favorite villager Sir Carstons on his villainous head That's when American expats paralegal Martha Littleword and book expert Helen Ryes find themselves knee-deep in Yorkshire murder Spirited empty nesters they throw their newbie detective hats into the ring only to discover that a murder
