beautiful garden I've ever dreamed of. It wasn't just a garden though but a playground where he would teach me how to use my body and how to hone my body into a secret and human weapon. He said it would come in handy one day and that I must master the art. This man who always wore a mask said that learning the art of combat and defense would save my life. I just didn't know that it would require taking a life of someone I know. He called me Baby Girl and after all these years I still quiver when I hear his name. My teacher, my lover, The ultimate bully. Now my Enemy. The Baby Girl Series is a Dark New Adult Romance with a TV MA rating suited for 18 and up.

Asylum Lily White, 2020-07-05 Words are funny things. Their meaning, the pictures they paint in the minds of those that hear them. They're not always the same and to me at least that makes them meaningless. Take for instance the phrase black widow. Those words conjure the image of a spider. However, instead of speaking of an arachnid, the people who whisper them are talking about something much different. They're talking about me. From what I'm told, no man I've ever loved has survived. Yet I have no memory of any of it. My new home leads me to the definition of another vague and meaningless word. But the definition for the word is wrong. Especially when you're made silent by drugs and pretty white jackets. My name is Alexandra Sutton and this is the story of what happened when I was imprisoned inside an Asylum.

Disclaimer: Asylum is a dark novel that contains sensitive subject matter not appropriate for readers below the age of 18 years of age. Asylum also contains explicit descriptions of violence. Asylum is a full length novel at 90K words and is not part of a series.

My Kind of Monster Lilith Roman, 1900 I wanted to give in to the hunger. Niklas Bergman stalked in the shadows of the silent woods, a depraved hunter and I am his prey. I traded one captor that broke my body and soul for one that threatens to break not only my heart but the walls that contain the darkness that lives inside of me. He is a beautiful monster, everything I searched for before my capture, the only one that understands my secrets and I fear my heart and mind will not survive him. I am a monster. I am a monster. I was a monster. Suki Knox hides a legacy of blood and I will drown her in it myself if that's what she needs to embrace it. I wanted to use her, no limits, consequences or remorse, but when I set my eyes on her, broken and abused, her enemy became mine. Now I can't let her go, not until I break her open. Her darkness calls to mine, her demons dance on heathen songs sung by my own and sometimes prey wants to be prey. Souls break open. Limits are crossed. Secrets are unleashed. A monster is born.
