Paul Dyson, 2024-12-15 The 2025 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents book publishers or magazines It contains over 1 500 listings including revised and updated listings from the 2024 edition and over 300 brand new entries Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 6 000 authors and tells you who represents them or who publishes them or both The number of genres in the index has expanded to over 900 So for example

while there was only one option for Romance in previous editions you can now narrow this down to Historical Romance Fantasy Romance Supernatural Paranormal Romance Contemporary Romance Diverse Romance Erotic Romance Feminist Romance Christian Romance or even Amish Romance The new edition includes Over 650 literary agents and agencies Over 450 magazines and Over 500 publishers that don't charge fees International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries With more and more agents publishers and magazines accepting submissions online this international outlook is now more important than ever There are no adverts no advertorials and no obscure listings padding out hundreds of pages By including only what's important to writers contact details for literary agents publishers and magazines this directory is able to provide more listings than its competitors at a lower price The book also allows you to create a subscription to the firstwriter.com website for free until 2026 This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches daily email updates feedback from users about the markets featured saved searches competitions listings searchable personal notes and more I know firsthand how lonely and dispiriting trying to find an agent and publisher can be So it's great to find a resource like firstwriter.com that provides contacts advice and encouragement to aspiring writers I've been recommending it for years now Robin Wade literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber
