Fields Of War Fifty Key Battlefields In France And Belgium:

Fields of War Robert J. Mueller, 2009 This is a unique and practical travel guide dedicated to bringing visitors to the sites of important historical events It presents fifty battlefields that are within a short driving distance of Paris or Calais Each battlefield description contains a brief historical overview and a tour of the major surviving landmarks and in many cases artefacts of the actual engagements The tour routes are designed to be interesting and easy to follow with complete driving instructions Extensively illustrated by sixty five maps as well as forty eight pages of historical and contemporary photographs the book presents battlefield sites selected and organised to offer an enjoyable touring experience It is an invaluable introduction to battles ranging from the medieval period to modern times

Fields of War: Battle of Normandy Robert J Mueller, 2014 A complete guide to Normandy Battlefields providing the history places and people who made victory in the Second World War possible Recipient of 7 National book awards On 6 June 1944 156 000 American British and Canadian servicemen fought ashore on beaches along the Normandy coast or landed from the air to begin wresting back Nazi occupied Europe The D Day invasion was the largest amphibious landing in history Although successful it was only precursor to months of the deadly fighting necessary to dislodge stubborn German defenders from the Norman countryside and eventually liberate France As a visitor s guide *Fields of War Battle of Normandy* presents the actual locations of key events in the struggle to free France from German occupation Each battlefield visit begins with a succinct history of events followed by a description of the intense military action that determined success or failure Extensive detailed maps illustrate the flow of the battle across the landscape and the units that participated Detailed driving instructions and GPS co ordinates direct visitors to each battlefield site Descriptions of museums memorials cemeteries and surviving artifacts are given along with their hours of operation Mailing email and web addresses are also provided

The Great War From The Air Gail Ramsey, 2013-11-30 The war of 1914 1918 the Great War as it was called at the time left great swathes of northern France and western Belgium almost totally destroyed The destruction wrought by shell fire was immeasurable and the ground was churned into miles of water filled shell holes Complete villages had been razed to the ground and every forest blown to pieces The former rich arable land had not only been pulverized but was now contaminated with the detritus of war Trenches dugouts thousands of miles of barbed wire abandoned equipment the smashed remains of hundreds of thousands of horses and men and the hidden threat of unexploded shells all created an indescribable landscape In this book Gail Ramsey sets out to show how the Western Front has been transformed over the past hundred years by juxtaposing aerial photographs trench maps of the period with present day matching comparisons courtesy of Google Earth
