Machinery Lloyd ,1953 Wishing For Us Sydney Landon,2016-11-01 Sydney Landon New York Times bestselling author of *The One for Me* delivers a new novel of love lost and found in her popular Danvers series Since the loss of her fianc Lydia Cross has refused to allow herself to feel anything close to love That is until corporate hotshot Jacob Hay comes to her aid outside of the Danvers International corporate headquarters and captures her attention Too bad he doesn't show any signs of reciprocating her feelings Things change when after a rowdy Vegas bachelorette party she wakes up next to Jacob as his newly wedded wife Lydia is stunned but Jacob seems remarkably calm and isn't inclined to end their hasty merger In fact day by day he gives her everything she's been missing especially in bed But when the magic of Sin City fades Lydia grows concerned she'll find herself alone once again Fractured Lines Jen McLaughlin,2014-10-12 The lines we once crossed so easily have widened and torn us apart Once upon a time I thought Finn and I would live happily ever after but real life doesn't always have a happy ending He's testing my trust and I'm losing faith in the man I thought I'd spend the rest of my life with and there's nothing I can do to stop it He's the one I trusted to keep me safe but now he's the source of my greatest pain Forgiveness is fragile and some fractures never fully heal One mistake a slip in a moment of weakness might cost me everything I've worked so hard for The thing about trust is that it's a lot easier to lose than it is to build Just as I'm about to give up and surrender to the demons from my past an unexpected threat reminds me what I'm best at protecting the woman I love Whether or not she wants me I will fight for Carrie and our daughter and I will keep them safe no matter the cost Even if I have to put my life and my heart on the line *Fractured: A Standalone Contemporary Romance* Lori Sjoborg, Carter Phillips has returned from multiple deployments and he's brought a few demons home with him War has left him scarred inside and out and he's counting on the peace and isolation of his family's farm to keep his head screwed on straight What he doesn't bargain for is Amy Williams the new horse trainer She's kinder than he deserves tougher than he expects with a hidden core of vulnerability that triggers his need to possess and protect her Amy has finally pieced her life back together after being forced to give up everything and assume a new identity Now she's safe no longer the target of accusations and death threats but she's also alone The only danger to her secrets and her celibacy is Carter Phillips smoking hot former Marine and her boss's brother With each passing day she finds it harder to lie to him about who she is and who she wants Neither of them wants to talk about the past but the more time they spend together the closer they become When the truth comes out will it set them free or tear them apart forever **Fractured** Karin Slaughter,2009 Slaughter one of the best crime novelists in America Washington Post brings back the characters from her New York Times bestselling work *Triptych* for a shocking showdown of heart stopping suspense **Fractured** A. R. Wile,2022-06-27 They thought they had everything figured out but the one thing they didn't plan for was me One minute and ten seconds Without life Without a heartbeat Without breath Without thought That's how long I was able to abandon my heartache before the doctors were able to revive me I know I should've been thankful for the miracle because not many people get to experience death and live to tell about it

Yet as I laid in a sterile hospital room reliving the moment I became a martyr for the woman who no longer wanted me who returned her heart to the hands of her last love my heart felt the weight of some brutal truths I d lost my girl my mobility and my life I failed to swallow this bitter pill of my new reality and was left alone to wallow in what could ve been I took it out on the people unlucky enough to have to care for me including the beautiful blonde with chocolate brown eyes wearing scrubs and a smile that helped me forget the pain that put me there But I left her ten months ago and I didn t expect to see her again At the same mall About thirty feet away With a man s arm wrapped around her neck restraining her And he s not alone His men have taken everyone hostage he s holding her for ransom and no one is getting out alive unless I risk it all again
