Extending The Frontiers Essays On The New Transatlantic Slave Trade Database:

Extending the Frontiers David Eltis, David Richardson, 2008-10-07 The essays in this book provide statistical analysis of the transatlantic slave trade focusing especially on Brazil and Portugal from the 17th through the 19th century The book contains research on slave ship voyages origins destinations numbers of slaves per port country year and period

Materializing the Middle Passage Jane Webster, 2024-02-22 Jane Webster develops a pioneering approach to rebuilding British slaving vessels creating a new archaeology of the Middle Passage The book also examines multiple sources and accounts questioning why the African Middle Passage experience remains elusive even after decades of scholarship dedicated to uncovering it

Extending the Frontiers David Eltis, David Richardson, 2008 The essays in this book provide statistical analysis of the transatlantic slave trade focusing especially on Brazil and Portugal from the 17th through the 19th century It contains the most up to date and comprehensive research on slave ship voyages origins destinations numbers of slaves per port country year and period In 1999 the same authors published The Transatlantic Slave Trade Dataset Cambridge book and CD but it did not include data on Brazil and Central America which this book fills in Provided by the publisher

In the Cause of Humanity Fabian Klose, 2021-12-09 In the Cause of Humanity is a major new history of the emergence of the theory and practice of humanitarian intervention during the nineteenth century when the question of whether when and how the international community should react to violations of humanitarian norms and humanitarian crises first emerged as a key topic of controversy and debate Fabian Klose investigates the emergence of legal debates on the protection of humanitarian norms by violent means revealing how military intervention under the banner of humanitarianism became closely intertwined with imperial and colonial projects Through case studies including the international fight against the slave trade the military interventions under the banner of humanitarian aid for Christian minorities in the Ottoman Empire and the intervention of the United States in the Cuban War of Independence he shows how the idea of humanitarian intervention established itself as a recognized instrument in international politics and international law

Beyond Empires: Global, Self-Organizing, Cross-Imperial Networks, 1500-1800, 2016-06-10 Beyond Empires explores the complexity of empire building from the point of view of self organized networks rather than from the point of view of the central state This focus takes readers into a world of cooperative strategies worldwide that emphasises the role played by individuals rather than institutions in the overseas expansion and consequent development of European empires While unveiling the practices and mechanisms of cooperation between individuals this volume show cases the role played by individuals for the creation development and maintenance of self organized networks in the Early Modern period Applying new conceptual and theoretical inputs this book values the contributions of different worlds bringing to the fore the interactions of Europeans and non Europeans Christians and non Christians people living within on or just outside the border of empire

Networks and Trans-Cultural Exchange David Richardson, Filipa Ribeiro da Silva, 2014-11-27 Winner of the

2015 Choice Outstanding Academic Title Award Studies of the South Atlantic commercial world typically focus on connections between Angola and Brazil and specifically on the flows of enslaved Africans from Luanda and the relations between Portuguese Brazilian traders and other agents and their local African and mulatto trading partners While reaffirming the centrality of slaving activities and of the networks that underpinned them this collection of new essays shows that there were major Portuguese Brazilian slave trading activities in the South Atlantic outside Luanda as well as the Angolan Brazil axes upon which historians usually focus In drawing attention to these aspects of the South Atlantic commercial world we are reminded that this was a world of change and also one in which Portuguese Brazilian traders were unable to sustain in the face of competition from northern European rivals the dominant position in slave trading in Atlantic Africa that they had first established in the sixteenth century

Dutch and Portuguese in Western Africa Filipa Ribeiro da Silva, 2011-07-28 More than fifty years have passed since Charles Boxer wrote his major works on the Dutch Portuguese rivalries in the Atlantic and attributed the successful takeover of North eastern Brazil Angola S o Tom and the Gold Coast forts by the WIC to the superior naval power of the Dutch This book reexamines the systems of settlement and trade of these States and their subjects in Western Africa and the Atlantic offering a fresh insight on discussions about the success and failure of Dutch and Portuguese States Companies and Merchants in the seventeenth century Atlantic
