Extra Ordinary Craft And Contemporary Art:

Extra/Ordinary Maria Elena Buszek, 2011-03-04 Artists critics curators and scholars develop theories of craft in relation to art chronicle how fine art institutions understand and exhibit craft media and offer accounts of activist crafting

Extra/Ordinary Maria Elena Buszek, 2009 DIVCollection of essays that examine the aesthetics and politics of craft culture in the contemporary art world div **A Companion to Contemporary Art in a Global Framework** Jane Chin

Davidson, Amelia Jones, 2023-10-16 *A Companion to Contemporary Art in a Global Framework* explores the ways specialists and institutions in the fine arts curation cultural studies and art history have attempted to situate art in a more global framework since the 1980s Offering analyses of the successes and setbacks of these efforts to globalize the art world this innovative volume presents a new and exciting way of considering art in its global contexts Essays by an international panel of leading scholars and practicing artists assert that what we talk about as art is essentially a Western concept thus any attempts at understanding art in a global framework require a revising of established conceptual definitions Organized into three sections this work first reviews the history and theory of the visual arts since 1980 and introduces readers to the emerging area of scholarship that seeks to place contemporary art in a global framework The second section traces the progression of recent developments in the art world focusing on the historical and cultural contexts surrounding efforts to globalize the art world and the visual arts in particular global and transnational frameworks The final section addresses a wide range of key themes in contemporary art such as the fundamental institutions and ontologies of art practice and the interactions among art politics and the public sphere *A Companion to Contemporary Art in a Global Framework* is essential reading for undergraduate and graduate students scholars researchers and general readers interested in exploring global art beyond the traditional Euro American context

Exhibiting Craft and Design Alla Myzelev, 2017-06-14 *Exhibiting Craft and Design* Transgressing the White Cube Paradigm investigates the firmly established manner in which craft and design have typically been presented by museums and galleries what strategies curators have employed throughout the twentieth century and especially in more recent years how exhibiting design and craft objects challenges the notion of the modernist White Cube display paradigm

Fermented Craftsmanship in the Bottle Andrey Sgorla, 2024-09-15 This book addresses the construction of new forms of work drawing on the experiences of craft brewers and pointing to the relationship between learning career paths and entrepreneurship in the context of the craft economy The development and growth of microbreweries represent an opportunity for entrepreneurship in the craft sector offering a growth space for entrepreneurs who wish to create and promote high quality products while enhancing local resources and contributing to the vitality of the local economy Through this dynamic it is possible to study the process of incorporation of specialised knowledge skills and competencies that occurs through work practices The experience of craft brewers is part of a global phenomenon of individuals who decide to invest in new craft professions and give new directions to their lives a choice guided by autonomy

flexibility passion and the pleasure of work The book explores the re evaluation of manual work the authenticity creativity innovation and quality of artisan production the distinction between artisanal and industrial products and craftsmanship as a critical element reflecting the changes taking place in the economy and the new professions The book adopts an ethnographic and multidisciplinary approach that embraces anthropology sociology economics geography and education

Contemporary Art and Feminism Jacqueline Millner,Catriona Moore,2021-07-05 This important new book examines contemporary art while foregrounding the key role feminism has played in enabling current modes of artmaking spectatorship and theoretical discourse Contemporary Art and Feminism carefully outlines the links between feminist theory and practice of the past four decades of contemporary art and offers a radical re reading of the contemporary movement Rather than focus on filling in the gaps of accepted histories by adding the missing female queer First Nations and women artists of colour the authors seek to revise broader understandings of contemporary practice by providing case studies contextualised in a robust art historical and theoretical basis Readers are encouraged to see where art ideas come from and evaluate past and present art strategies What strategies materials or tropes are less relevant in today s networked event driven art economies What strategies and themes should we keep hold of or develop in new ways This is a significant and innovative intervention that is ideal for students in courses on contemporary art within fine arts visual studies history of art gender studies and queer studies
