**Psalms Through the Centuries, Volume 2** Susan Gillingham, 2018-04-30 Psalms Through the Centuries Volume Two provides the first ever extensive commentary on the Jewish and Christian reception history of the first two books of the Psalter Psalms 1 41 and 42 72 It explores the various uses of the Psalms over two millennia in translation and commentary liturgy and prayer study and preaching musical composition and artistic illustration poetic and dramatic imitation and contemporary discourse With lavish illustrations using examples from both music and art Psalms Through the Centuries Volume Two offers a detailed commentary on each psalm with an extensive bibliography a large glossary of terms and helpful indices It is an ideal resource both for students and scholars in the academy and for lay people and ministers in church and synagogue Psalms Through the Centuries is published within the Wiley Blackwell Commentary series Further information about this innovative reception history series is available at [www.bbibcomm.info](http://www.bbibcomm.info) **Psalms 1-44** Abraham

Kuruvilla, 2024-03-04 This three volume commentary on the Psalms engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the psalms in the Psalter to craft effective sermons It unpacks the crucial link between Scripture and application the theology of each preaching text psalm what the author is doing with what he is saying in each psalm is explored and explicated While the primary goal of the commentary is to take the preacher from text to theology it also provides a sermon outline for each of the preaching units in the Psalms The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching from the Psalter with an emphasis on application **Commentary on Psalms 1-81** Theodore (Bishop of Mopsuestia), 2006 Publishing is a rapidly

changing business and this readable and comprehensive reference is right in step covering operations financial and personnel management as well as product development production and marketing Written for the practicing professional just starting out or looking to learn new tricks of the trade this revised and expanded fourth edition contains updated industry statistics and benchmark figures features up to date strategies for creating new revenue streams online marketing and sales and e book publishing and provides new information about using financial information to make key management decisions Highly practical forms and sample contracts are included for up to the minute advice **Portraits of the Righteous in the**

**Psalms** Daniel C. Owens, 2013-08-23 What have the Psalms to do with ethics Readers prize the Psalter for its richly theological prayers but into these prayers are woven a variety of ethical issues This book explores the ethics of the Psalter by examining the four portraits of the righteous person that punctuate Book I It begins by studying these psalms as individual compositions and then employs both the canonical approach and dialogic criticism to identify the complex relationship between the portraits vision of the righteous life and its outcome Does the righteous person enjoy security and the good life The answer may be surprising but joining the psalmist on the rocky path of the interface of faith and experience is certain to prove a formative experience Sweeter than Honey Loren F. Bliese, 2025-10-07 In this study of Psalm 19 Loren Bliese

focuses on how symbolic numbers embellish structural high points An awareness of numerical embellishment deepens an appreciation of how sweet a text like Psalm 19 is in message and form Symbolic numbers as recognized by many scholars include three types 1 theological numbers based on the divine name YHWH the Lord with the value of twenty six 2 those based on the twenty two letters of the Hebrew alphabet and 3 the fullness number seven Both ordinal alphabetic and standard mathematical values with larger counts up to four hundred for letters are analyzed Both are clearly used for embellishment at structural high points This is shown by four tables that list the twenty two poetic lines arranged from the highest ratios to the lowest for comparison Significantly higher ratios of numerical values per line are shown to occur in literary peaks and peripheral lines more than in other lines However the line with fear of the Lord has high ratios despite not being a peak or peripheral line This gives numerical evidence of its special theological focus as proposed by several scholars who note fear is exceptional by not being one of the parallel keywords in Psalm 119 **Fundamentalist Journal** ,1986
