Strategic Management in Public Services Organizations Ewan Ferlie, Edoardo Ongaro, 2015-02-20 Strategic Management in Public Services Organizations sets out to connect the two traditionally disparate academic literatures of public management and strategic management The authors argue that some models of strategic management are now of enhanced relevance for contemporary public services organizations especially when considering successive New Public Management reforms This observation has important consequences for the requisite work practices skills and knowledge bases of current public managers as they are increasingly being asked to act as strategic as well as operational managers Strategic Management in Public Services Organizations takes a strongly comparative and international perspective in addressing the fundamental issue of strategic management within diverse public administrative traditions The impact of strategic management on the performance of public agencies is examined and it is argued that the appropriate use of strategic management models depends on the politico administrative and cultural contexts of the public services organization in question concluding that there is no single best way to strategically lead public organisations This is an advanced textbook

aimed at the postgraduate level particularly students on MPAs and MBAs with a public sector option or MScs in Public Policy and Public Management **Technology Strategy** Nigel Walton, Neil Pyper, 2019-09-21 This dynamic and beautifully written textbook takes a modern and innovative approach to strategy by placing technology at its heart bridging the gap between general strategy texts and specialist technology and innovation literature It addresses the challenges and opportunities presented to organisations by disruptive technological change and takes into account the navigation of uncertain business environments In addition to examining more established concepts and theories the text also explores new disruptive business models and non traditional approaches to strategy development such as effectuation the Business Model Canvas and prediction logic This comprehensive and critical approach is supported by a rich assortment of practical examples and cases drawn from different sectors and a range of exciting companies from all over the world helping students and practitioners to apply theory to practice This will be an essential core text for modules on technology strategy and innovation at upper undergraduate postgraduate and MBA levels and invaluable reading for senior executives and aspiring managers who seek to understand how to implement strategy in a volatile disruptive environment **Managing Internationalisation** Patricia Adam, 2015-06-17 Managing Internationalisation explains the process of internationalising any kind of organisation from a management perspective Based on the renowned EFQM Excellence Model all issues with special relevance for international activities are explained and traced back to recent scientific research and good management practise The book is meant for practitioners and students alike For a better understanding extensive illustrations examples exercises and recommendations for case studies enrich the text Dieses Buch erkl rt den Prozess der Internationalisierung von Organisationen aus der Sicht des Managements Auf der Basis des EFQM Modells f r Business Excellence Qualit tsmanagement werden alle f r internationale Aktivit ten relevanten Themen erl utert Das Buch ist f r Praktiker und Studierende gleicherma en geeignet Mit praxisnahen bungen und Fallstudien **Cumulative Book Index** , 1998 A world list of books in the English language

Forthcoming Books Rose Arny, 2004 *Strategic Management* Arthur A. Thompson, Alonzo J. Strickland, 1999 Thompson Strickland is the strategic management market leader by a wide margin The eleventh or alternate edition of the book contains exactly the same text as the 10th edition but includes all new cases With so many business schools offering a strategic management course every term the case collection in any one edition wears out after a few terms The strong desire of adopters for fresh cases together with welcome and much needed growth in the supply of first rate cases being developed each year makes it necessary for us to institute a short case revision cycle and provide a second collection of cases to choose from The 10th edition with all its various components will be available throughout the life cycle of the 11th edition
