Exposing Religious Strongholds in the Church Shawn Michael McDermott, 1999-12-01 Do you believe all the preachers who talk about money are speaking the truth Or do you believe some things said are definitely in error Are our churches full of right thinking and sound concepts according to scriptures Do you believe it s time some attention can be paid to pointing out some over exaggerated concepts and incorrect theology Time is taken to pull the mask off that religion puts on God in some of the ways it describes him Religion says God commands and says certain things he does not Do you want to know what those things are I think if you look with me at the Bible in Acts 17 11 you ll see The word of God is to be searched out it is a noble undertaking The Bereans that verse says were nobler than the Thessalonians because they searched the word of God out to see whether what was said was true or not Here listed below click excerpts for the table of contents to see the topics Order your E book for 8 00 it s 258 pages very in depth on the blood covenant tithing money Ministry Leadership repentance and just being God s family To see some of the chapter titles click on excerpts and check out and see for yourself if Exposing Religious Stronghold In The Church strengthens some of your theological postions or gives you some things to think about Lots of clear postive bible truth not pandering to the preaching superstars Healing the brokenhearted Illuminating the path for every son or daughter of God **Charisma and Christian Life** ,2002 *Angels: How to Create a Mind (of Spiritual Self-Esteem): Divination Exposed, King Saul and the Witch of Endor* Eleazar Ben Michael, 2022-02-02 The art of divination has been the practice of many people in several cultures for centuries This book will be looking at some occult divination which seeks knowledge through the assistance of spirit helpers mediums witchdoctors and their supernatural agencies In addition it will seek to give us some answers to many of the challenges of the occult craft of conjuration and wizardry illusions commonly associated with spiritualism witchcraft and ceremonial magic The book is the second part of our cosmic warfare series on angels that we hope will educate our readers about the nature of the psychic phenomenon associated with voodoo spells fortune telling magic etc The God of the universe gave humankind the free will and coexistent religious tolerance to practice witchcraft or any other religion However since demons and fallen angels claim to be God the Almighty Creator has made it clear that we must all take responsibility for whatever we believe both now and in the afterlife Furthermore each must coexist peacefully without disturbing another person read this divine policy of grace in Yeshua s parable of the wheat and the tares in Mathew 13 24 30 This second book in the series on angels is a must read guidebook in comparative religion We hope it will inform and equip the diligent with information about deliverance from the powers of darkness In our modern society many live with the fear of witchery and magical spells We believe this material will empower you first of all with the knowledge that will enable you the reader to understand the truth about these occult psychic phenomena and manipulations Secondly the contents of this unique series will teach people how to use their authority in Jesus the Messiah to overcome these enemies All over the world millions of people desire assistance from the

kingdom of darkness in the time of adversity Many Bible students and scholars have speculated about King Saul the witch of Endor and the spirit visitors that night Who were the spiritual personalities that appeared in that witchery scene at Endor This book has a narrative about that historic event that may puzzle your imagination Demolishing the Spiritual Stronghold of Racism in the American Church Rachelle Hood-Phillips,2001 *"Posted!"* Ii D'Arcy G. Raboteau,2018-10-06 I have set WATCHMEN on your walls O Jerusalem they shall never hold their peace day or night You who make mention of the LORD do not keep silent Isaiah 62 6 In THE PROPHET S WATCH the highly anticipated new sequel in his Posted series Raboteau returns and releases a commanding prophetic mantle upon the Bride of Christ Prepare yourself as the Word of the Lord roars and shifts the atmosphere for a double portion outpouring of miracles deliverance and prosperity throughout the nations **American Mainline Religion** Wade Clark Roof,William McKinney,1987 Wade Clark Roof and William McKinney argue that a new voluntarism is slowly eroding the old social and economic boundaries that once defined and separated religious groups and is opening new cleavages along moral and life style lines Nowhere has the impact of these changes been more profoundly felt than by the often overlooked religious communities of the American center or mainline Protestant Catholic and Jewish American Mainline Religion provides a new mapping of the families of American religion and the underlying social cultural and demographic forces that will reshape American religion in the century to come Going beyond the headlines in daily newspapers Roof and McKinney document the decline of the Protestant establishment the rise of a more assimilated and public minded Roman Catholicism the place of black Protestantism and Judaism and the resurgence of conservative Protestantism as a religious and cultural force Forthcoming Books Rose Arny,2003 **The Prose Works of John Milton ...: Treatise on Christian doctrine, compiled from the Scriptures alone; tr. by Chas. Clarence Washington Sr.,2023-12-18 The first four volumes of Hijacked How Dr King s Dream Became a Nightmare explores the goals that must be achieved and the methods that must be used to fix what is wrong with America However these things have been hijacked by super natural spiritual forces and caused the once unthinkable devastating nightmare in America which we are now experiencing This Nightmare has been orchestrated by spiritually dark forces who must be dealt with through an effective super natural spiritual warfare prayer strategy Nothing else but this will solve the demonic insanity that is occurring all over America today In Volume 5 The Demonic everything that We the People need to do this and bring America back from the brink of total decline and destruction is explored in detail The demonic insanity that is so widespread in America today is clearly demonstrated by such things as critical race theory social justice transgenderism the open boarder policy the war on fossil fuel the climate control policy an obsession with renewing the JCPOA Iran nuclear argument the love affair of African Americans with the people that clearly hate them and the love affair of Jewish Americans and others with the people that clearly hate them The volumes respectively of Hijacked are The Dream The Hijack The Nightmare The Recovery

and The Demonic All of these things are a very clear demonstration that most Americans have rejected the God given dream goals and dream methods of Dr Martin Luther King Jr and are instead being taught how to live by demons **The Wicked World of Witchcraft** Jenny Weaver,2025-10-07 Witchcraft is more than a social media trend It s the hidden dangers of modern day enchantments While reading this book you will open your eyes to the devastating consequences of witchcraft in the spiritual realm You will also resist the temptation of dark forces threatening to entrap your soul Witchcraft is subtly infiltrating modern culture through trends symbols and practices disguised as empowerment and enlightenment The Wicked World of Witchcraft exposes these hidden dangers and provides biblical insights to recognize and resist their influence With practical guidance and real life examples this book equips you to Navigate today s spiritual landscape Discern cultural deceptions Stand firm in faith Whether you re a parent leader or seeker of truth this powerful resource unveils the spiritual battle shaping society and empowers you to protect your heart home and community from the encroaching grip of the occult
