Extra Lives Why Video Games Matter:

Extra Lives Tom Bissell, 2011-06-14 In *Extra Lives* acclaimed writer and life long video game enthusiast Tom Bissell takes the reader on an insightful and entertaining tour of the art and meaning of video games In just a few decades video games have grown increasingly complex and sophisticated and the companies that produce them are now among the most profitable in the entertainment industry Yet few outside this world have thought deeply about how these games work why they are so appealing and what they are capable of artistically Blending memoir criticism and first rate reportage *Extra Lives* is a milestone work about what might be the dominant popular art form of our time **Video Games and American Culture**

Aaron A. Toscano, 2019-12-12 Digital media are immersive technologies reflecting behaviors attitudes and values The engrossing entertaining virtual worlds video games provide are important sites for 21st century research This book moves beyond assertions that video games cause violence by analyzing the culture that produces such material While some popular media reinforce the idea that video games lead to violence this book uses a cultural studies lens to reveal a more complex situation Video games do not lead to violence sexism and chauvinism Rather Toscano argues a violent sexist chauvinistic culture reproduces texts that reflect these values Although video games have a worldwide audience this book focuses on American culture and how this multi billion dollar industry entertains us in our leisure time and sometimes at work bringing us into virtual environments where we have fun learning fighting discovering and acquiring bragging rights When politicians and moral crusaders push agendas that claim video games cause a range of social ills from obesity to mass shooting these perspectives fail to recognize that video games reproduce hegemonic American values This book in contrast focuses on what these highly entertaining cultural products tell us about who we are **The Believer**, 2009 Death by Video Game Simon Parkin, 2017-06-13 The finest book on video games yet Simon Parkin thinks like a critic conjures like a novelist and writes like an artist at the height of his powers which in fact he is Tom Bissell author of *Extra Lives Why Video Games Matter* On January 31 2012 a twenty three year old student was found dead at his keyboard in an internet caf while the video game he had been playing for three days straight continued to flash on the screen in front of him Trying to reconstruct what had happened that night investigative journalist Simon Parkin would discover that there have been numerous other incidents of death by video game And so begins a journey that takes Parkin around the world in search of answers What is it about video games that inspires such tremendous acts of endurance and obsession Why do we so thoroughly lose our sense of time and reality within this medium How in the world can people play them to death In *Death by Video Game* Parkin examines the medical evidence and talks to the experts to determine what may be happening and introduces us to the players and game developers at the frontline of virtual extremism the New York surgeon attempting to break the Donkey Kong world record the Minecraft player three years into an epic journey toward the edge of the game's vast virtual world the German hacker who risked prison to discover the secrets behind *Half Life 2* Riveting and wildly entertaining *Death by Video Game* will change the

way we think about our virtual playgrounds as it investigates what it is about them that often proves compelling comforting and irresistible to the human mind except for when it s not **Harper's** ,2010 **Playstation Players Guide** Zach Meston,John Ricciardi,1996-09 The Virginia Quarterly Review ,2009 *La Buena Vecindad* Michael Angelo Greco,2010
