Erewhon: or Over the range Samuel Butler, 1927 Erewhon Samuel Butler, 2012-04-26 Erewhon an anagram for nowhere is a faraway land where machinery is forbidden sickness is a crime and criminals receive compassionate medical treatment Butler's brilliant Utopian novel is an entertaining and thought provoking work **Erewhon or Over the Range** Samuel Butler, 2024-10-21 Step into the imaginative world of Erewhon or Over the Range by Samuel Butler a thought provoking tale that challenges societal norms and explores the complexities of civilization This captivating novel takes readers on an extraordinary journey to the fictional land of Erewhon where the rules of society are turned on their head As Butler unveils the peculiar customs and philosophies of Erewhon you'll find yourself questioning the very foundations of your own beliefs His satirical approach to topics such as morality technology and evolution prompts readers to reflect on the consequences of progress But here's a striking question What if the future we strive for is not as desirable as we think Are we unwittingly creating a society that mirrors the absurdities of Erewhon Butler's keen insights and witty prose make this novel not just a story but a mirror reflecting the follies of human nature His exploration of the relationship between the individual and society invites readers to consider their own roles in the ever evolving landscape of civilization Are you prepared to challenge your perceptions and venture into the world of Erewhon Erewhon or Over the Range is a timeless classic that resonates with contemporary issues making it a must read for anyone curious about the future of society Whether you are a lover of satire or a seeker of deeper truths Butler's work will captivate and inspire you Don't miss the chance to explore this extraordinary narrative Purchase Erewhon or Over the Range now and embark on a journey that will challenge your understanding of civilization *Erewhon* Samuel Butler, 2009-05-01 **Erewhon** Beyond Words Press, Samuel Butler, 2020-09-05 Erewhon or Over the Range is a novel by Samuel Butler which was first published anonymously in 1872 The title is also the name of a country supposedly discovered by the protagonist In the novel it is not revealed where Erewhon is but it is clear that it is a fictional country Butler meant the title to be read as nowhere backwards even though the letters h and w are transposed as it would have been pronounced in his day and still is in some dialects of English The book is a satire on Victorian society After a series of near mishaps a traveler stumbles into a place utterly unknown to him only to be jailed for in this odd place being penniless is tantamount to criminality Slowly learning the language and gaining the confidence of his hosts he comes to know their strange ways and their stranger ideas and institutions including the Hospital for Incurable Bores the College of Unreason and the Museum of Old Machines **Erewhon** Samuel Butler, 2017-01-03 Erewhon OR Over The Range by Samuel Butler Erewhon or Over the Range is a novel by Samuel Butler which was first published anonymously in 1872 The title is also the name of a country supposedly discovered by the protagonist In the novel it is not revealed where Erewhon is but it is clear that it is a fictional country Butler meant the title to be read as nowhere backwards even though the letters h and w are transposed as it would have been pronounced in his

day and still is in some dialects of English The book is a satire on Victorian society The first few chapters of the novel dealing with the discovery of Erewhon are in fact based on Butler s own experiences in New Zealand where as a young man he worked as a sheep farmer on Mesopotamia Station for about four years 1860 64 and explored parts of the interior of the South Island and which he wrote about in his A First Year in Canterbury Settlement 1863 The greater part of the book consists of a description of Erewhon The nature of this nation is intended to be ambiguous At first glance Erewhon appears to be a Utopia yet it soon becomes clear that this is far from the case Yet for all the failings of Erewhon it is also clearly not a dystopia such as that depicted in George Orwell s Nineteen Eighty Four As a satirical utopia Erewhon has sometimes been compared to Gulliver s Travels 1726 a classic novel by Jonathan Swift the image of Utopia in this latter case also bears strong parallels with the self view of the British Empire at the time It can also be compared to the William Morris novel News from Nowhere
