**Escape from Communist Heaven** Dennis W. Dunivan, 2013 For Viet Nguyen the only thing worse than rules are the people who enforce them This may not be the best attitude to have in a society that punishes dissent with death A rebellious teenager is often the main character of young adult fiction but what makes Viet particularly interesting is that he challenges a system that borders on genocide Communist tanks advance through Viet's Saigon neighborhood when he is fourteen years old and overtake the Presidential Palace as American helicopters retreat over the South China Sea During the frantic evacuation the American Embassy isn't able to destroy secret files containing the names of South Vietnamese intelligence officers Viet's father is one of these officers Within days the city is infiltrated by communist soldiers who take over public buildings and spies who move into local neighborhoods To survive his family must keep a low profile Viet's life was better during the war With the Americans gone he has little hope for freedom and must watch his every step But his rebellious spirit gets the upper hand and he is arrested in the black market becoming one of more than a million people in labor camps spread across the jungles of Vietnam Viet's captors have a dream When everyone on earth is under their control they believe we will have reached Communist Heaven Many of the prisoners are ex soldiers Others are religious leaders academics and anyone who might provide leadership against the new regime Tens of thousands of these prisoners die of starvation malaria and physical beatings Viet is determined not to be one of them He uses the same daring that led to his arrest to create a chance to break free Based on the true story of Viet Nguyen this novel is about a teenager who makes some mistakes and faces the consequences To know freedom he must not only escape from prison but also from his country Constantinoplers

Irmgard Epp, 2006 The Constantinoplers were Mennonite servicemen of the defeated White Army in Russia fleeing before overwhelming Bolshevik forces in 1920 They tell of their escape across the Black Sea to Constantinople **A Fortress**

**Steep and Mighty** Henrietta Alten West, 2022-09-14 Intrigue surrounding the audacious plot to assassinate a powerful world leader will keep you on the edge of your seat A FORTRESS STEEP AND MIGHTY is part historical novel and part prediction for what might be coming Boggled down in a war he can't seem to win will Russia's Hitleresque president decide to use nuclear weapons to achieve his objective The cold war is hot again The democratic countries of the world face off against totalitarian forces bent on genocide and the destruction of freedom and self determination The world holds its collective breath as the threat of nuclear annihilation threatens everyone on planet earth A FORTRESS STEEP AND MIGHTY looks back at the extraordinary efforts made to ensure the continuity of the United States government in case of an attack from the

USSR The reader will relive the days of Duck and Cover as well as the obscenity that was the Berlin Wall This thriller the fourth book in the Reunion Chronicles Mysteries series reaches into the future with an outrageously bold plan intended to prevent a present day nuclear catastrophe The Making of the 1963 Baptist Faith and Message A.
