A Brief Version provides a significant leap forward in terms of online course management with McGraw Hill's homework platform Connect Statistics Hosted by ALEKS. Statistic instructors served as digital contributors to choose the problems that will be available, authoring each algorithm and providing stepped out solutions that go into great detail and are focused on areas where students commonly make mistakes. From there, the ALEKS Corporation reviewed each algorithm to ensure accuracy. The result is an online homework platform that provides superior content and feedback, allowing students to effectively learn the material being taught. *Loose Leaf Version for Elementary Statistics, Brief with Data CD and Formula Card* Allan Bluman, 2012-01-10

**Loose Leaf Elementary Statistics Brief with Formula Card and SmartBook Access Card** Allan Bluman, 2014-05-15 SmartBook™ is the first and only adaptive reading experience designed to change the way students read and learn. It creates a personalized reading experience by highlighting the most impactful concepts a student needs to learn at that moment in time. As a student engages with SmartBook, the reading experience continuously adapts by highlighting content based on what the student knows and doesn't know. This ensures that the focus is on the content he or she needs to learn while simultaneously promoting long term retention of material. Use SmartBook's real time reports to quickly identify the concepts that require more attention from individual students or the entire class.
