Ringwald,2008-11-14 The Sabbath is the original feast day a day of joy and freedom from work a holy day that allows us to reconnect with God our fellows and nature Now in a compelling blend of journalism scholarship and personal memoir Christopher D Ringwald examines the Sabbath from Creation to the present weaving together the stories of three families three religions and three thousand years of history A Day Apart is the first book to examine the Sabbath in Judaism Christianity and Islam A marvelously readable book it describes the three weekly holy days the Muslim Juma on Friday the Jewish Shabbat on Saturday and the Christian Lord s Day on Sunday and introduces us to three families including Ringwald s own and shows how they observe the holy day and what it means to them The heart of the book recounts the history of the Sabbath ranging from the Creation story and Moses on Mount Sinai to the teachings of Jesus and Muhammad the impact of the Protestant Reformation and the Industrial Revolution and the rise of the modern weekend Ringwald shows that the Sabbath instinct to observe a special day of withdrawal and repose is universal Indeed all religions and philosophies teach that life is more than toil that time should be set aside for contemplation enjoyment and culture In today s frantic 24 7 world the Sabbath a day devoted to rest and contemplation has never been more necessary A Day Apart offers a portrait of a truly timeless way to escape the everyday world and add meaning to our lives I can not recall reading anything on the three faiths that so deftly engages them in robust conversation Amazingly learned Ringwald nonetheless has a light friendly touch The warmth of his soul is unmistakable Christian Century *Army-Navy-Air Force Register and Defense Times* ,1927 *New York Magazine* ,1991-04-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Church at Home and Abroad** Henry Addison Nelson,Albert B.
