Trizophrenia Jef Mallett, 2025-11-04 Life is better when you're a triathlete. That is what author and triathlete Jef Mallett believes, and millions of triathletes around the world agree. *Trizophrenia: Inside the Minds of the Triathlete* by nationally syndicated illustrator and veteran triathlete Jef Mallett offers up the first exploration of the triathlon lifestyle. With the same humor and insight readers love in his *Frazz* comic strip, Mallett delves into the intoxicating subculture of the sport that is three sports. Mallett unveils the triathlete's obsessive compulsive need for the rituals of the sport: eat, swim, eat, work, eat, ride, eat, work, eat, run, eat, go to bed, early. Get up at dawn and do it all over again. Packed with illustrations that bring to life the countless conundrums a triathlete embraces every day, Mallett's light-hearted declaration of love for his sport will convince anyone that life is more worth living when you're a triathlete.
