All service parts should be obtained from or ordered through your local Lennox Dealer. For complete information when ordering service parts, the model number and serial number should always be given. Numbers for the 95,000 appear on a label near the rear of the machine, on the front of the right-hand overhead panel assembly.

\*Right\* and \*Left\* are determined from a position sitting on the mat and looking forward. From this position, the Thoracic Vertebra is on the Right.

Client (company) reserves the right to make changes or improvements to the design or construction of any part without increasing the schedule or cost and without any other previously defined.
