**Gender Rules** Grace Jelsnik, 2015-12-01 For a year now Sydney has fled a psychotic stalker who fixated on her during a gallery showing of her paintings When she buys a piece of Montana land she builds a defensible home preparing herself both mentally and physically for the stalker's eventual arrival While she waits she finds herself entangled with the local bad boy Brett Revington a rancher determined to regain the property his stepmother sold behind his back Now Sydney has two men after her one who wants her dead and one who wants her gone In an explosive final confrontation the two men square off and once the Montana dust has settled only one will remain standing *Gender and Grace* Mary Stewart Van Leeuwen, 1990

Gender Rules Karen Phoenix, 2020 A higher education history text on gender rules in historical perspective Gender Is a Choice Grace Alice Mukasa, 2018-10-31 *Gender is a Choice* is a remarkable book that thoughtfully demystifies gender discrimination It shows the underlying causes of discrimination which lie deep in our cultures Based on the human rights perspective of equality and dignity Ms Mukasa reaffirms that we are all born equal without gender bias or prejudice and we all share a propensity to learn grow and maximise our innate potential to lead meaningful happy lives However societies have views based on cultural norms attitudes and beliefs that lead to unequal gender relations of power As a result many women and girls suffer This highly educational book highlights the key gender concepts and gives them meaning through a practical family portrait at the end Ms Mukasa decisively affirms that that despite powerful socialisation processes gender injustice can be overcome The key issue to transform is the traditional socialisation process The main tool is to create awareness of the embedded negative aspects concerning women and men relationships It calls upon men and women to appreciate that the current gender relations of power are unnatural and unacceptable They are man made and can be dismantled using our agency to make the right choices Women's disempowerment can be disrupted and gender justice can be promoted This book is relevant to all people since gender discrimination is universal and has universally negative consequences Gender discrimination must therefore be disrupted everywhere every time by everyone However Ms Mukasa makes her own choice to focus on the African gender context and the audience whose culture she understands best Gender Roles Taffi Dollar, 2017-03-15 *Gender Is a Choice* Grace Alice Mukasa, 2021-05 Men and Women: Changing Gender Roles Paul Maloney, 2006
