Duct Tape Parenting:

Duct Tape Parenting Vicki Hoefle, 2016-10-14 There is a new set of 3Rs for our kids respect responsibility and resilience to better prepare them for life in the real world Once developed these skills let kids take charge and let parents step back to the benefit of all Casting hover mothers and helicopter parents aside Vicki Hoefle encourages a different counter intuitive yet much more effective approach for parents to sit on their hands stay on the sidelines even if duct tape is required so that the kids step up Duct Tape Parenting gives parents a new perspective on what it means to be effective engaged parents and to enable kids to develop confidence through solving their own problems This is not a book about the parenting strategy of the day what the author calls Post It Note Parenting but rather a relationship based guide to span all ages and stages of development Witty straight shooting Hoefle addresses frustrated parents everywhere who are ready to raise confident capable children to go out in the world Duct Tape Parenting Vicki Hoefle, 2014-05-09 A witty straight shooting parenting

book to help parents build a solid relationship with their kids improve children's behavior and decision making and prepare kids to steer their own futures while laughing a little along the way **You Just Don't Duct Tape a Baby** Norman Weinberger, Alison Pohn, 1999-03-01 Humorous stories sound advice for parents **Straight Talk on Parenting** Vicki Hoefle, 2016-10-04 Parents these days are under a great deal of pressure to be perfect From psychologists to social scientists journalists to weekend bloggers everyone has an opinion about the do's and don'ts for raising healthy well adjusted and let's not forget polite children in today's fast paced world Where does this leave parents Too often lacking in confidence ill equipped and overwhelmed Parenting expert Vicki Hoefle makes the bold claim that it's time for parents to get off the perfection path and get back to the real job of parenting to grow a grown up In this no nonsense parenting guide Hoefle draws upon twenty five years of experience with helping parents see the big picture and sidestep what she calls the detail drama that too often trumps everyday life with our kids Parents learn more than just strategies they learn a methodology that allows them to help their toddlers build a strong foundation for success in adulthood In her trademark tell it like it is style Hoefle tells parents to trust their intuition and develop an intentional strategy for meeting each child's unique needs Above all **The Straight Talk on Parenting** offers the confidence boosting reminder that parenting is about practice and a healthy dose of humor not perfection Minimalist Parenting Christine K.
