Writer's Block Suresh Subrahmanyam, 2021-09-21 This is Suresh Subrahmanyam's third volume of tongue in cheek vignettes on a variety of subjects. There is no topic or issue under the sun that does not come under his genial and articulate gaze. He wields his pen in a manner of speaking with considerable panache and style. His love for the English language is amply evident in the way in which he crafts every sentence with minute care. He is greatly influenced by the British school of writing and the great authors from that formidable stable. He is unapologetic about adopting a slightly old-fashioned style as he believes the present generation who read and that tribe is rapidly dwindling should appreciate that this is the language of Shakespeare and Milton without the likes of whom we would all be talking to each other with a vocabulary that does not go beyond words like cool, awesome, shoot, OMG, and lowbrow slang like my bad, I'm good, and get a life, bro. In the author's own words: Texting trumps writing and language pays the price. Suresh Subrahmanyam tries to make amends. *Who's Who, Jamaica*, 1966

Who's Who, Jamaica, British West Indies, 1966 **The Handbook of Jamaica for ...**, 1967 **The Men Who Raised the Bar** Chris Waters, 2020-12-10 Few sporting records capture the imagination quite like that of the highest individual score in Test cricket. It is the blue riband record of batting achievement, the ultimate statement of stamina and skill. From Charles Bannerman who scored 165 for Australia against England in the inaugural Test match in 1877 to Brian Lara who made 400 not out for West Indies against England in 2004, the record has changed hands ten times. Chris Waters' *The Men Who Raised the Bar* charts the growth of the record through nearly one hundred and fifty years of Test cricket. It is a journey that takes in a legendary line of famous names including Sir Donald Bradman, Sir Leonard Hutton, Sir Garfield Sobers, and Walter Hammond, along with less heralded players whose stories are brought back into the light. Drawing on the reflections of the record holders, Waters profiles the men who raised the bar and their historic performances.
