The Silver Dragon's Lair

The main entrance of the silver dragon's lair can be approached only by air, which, of course, is no hardship for the dragon. From there, a narrow hallway leads to the main containing area, a cavernous room in which the dragon sleeps with its mate. Off this containing room is a storage room, as well as a study, and beyond that lies the dragon's sleeping chamber. The lair also includes a study and library, a dining room, a smaller storage room, and two other rooms. Here, the dragon can offer help and protection to anyone who needs it.

A dragon's hair is even stronger than an escape route. A narrow tunnel leads from the back of the main living area and winds its way through the house in the direction in which the hair is built. The tunnel opens up a little further from the dragon than the fly from

Combat

silver dragons don't go around looking for trouble in the world. Rather, they wait for trouble to find them. That doesn't mean a silver dragon will jump into the fray if it opens up, but it will fight if it's hurt. And, like most dragons, who root out evil in order to banish it, the silver dragon will fight peacefully with others. The silver dragon doesn't like to witness injustice, if it does, it will take action. The silver dragon is more concerned with protecting the humans it has come to care for than in spending its life looking for evil.
