All the Countries We've Ever Invaded Stuart Laycock, 2012-02-29 Out of 193 countries that are currently UN member states we've invaded or fought conflicts in the territory of 171 That's not far off a massive jaw dropping 90 per cent Not too many Britons know that we invaded Iran in the Second World War with the Soviets You can be fairly sure a lot more Iranians do Or what about the time we arrived with elephants to invade Ethiopia Every summer hordes of British tourists now occupy Corfu and the other Ionian islands Find out how we first invaded them armed with cannon instead of camera and set up the United States of the Ionian Islands Think the Philippines have always been outside our zone of influence Think again Read the surprising story of our eighteenth century occupation of Manila and how we demanded a ransom of millions of dollars for the city This book takes a look at some of the truly awe inspiring ways our country has been a force for good and for bad right across the world A lot of people are vaguely aware that a quarter of the globe was once pink but that's not even half the story We're a stropky dynamic irrepressible nation and this is how we changed the world often when it didn't ask to be changed

Exercise of Arms, 2021-10-25 The great European conflict known as the Thirty Years War was only the final phase of a war in the Netherlands which was to last 80 years In the course of this the Dutch rose up successfully against their Spanish rulers and established a Republic in the early 16th century which was the envy of its contemporaries This volume brings together papers by 11 leading military historians from the Netherlands who discuss

the processes by which the Dutch organised and financed the military apparatus which was eventually to defeat the leading land and maritime power of their day and to maintain the position of Holland as a world power until well into the 18th century Articles cover military matters such as changes in strategy and tactics and issues such as the financing of the war effort the navy privateering and the arms trade A Guide to the Manuscripts Preserved in the Public Record Office: The state papers and records of public departments Great Britain.
