Dutch A Memoir Of Ronald Reagan

George McKenna

Dutch A Memoir Of Ronald Reagan:

Dutch Edmund Morris, 2011-10-19 This book the only biography ever authorized by a sitting President yet written with complete interpretive freedom is as revolutionary in method as it is formidable in scholarship When Ronald Reagan moved into the White House in 1981 one of his first literary guests was Edmund Morris the Pulitzer Prize winning biographer of Theodore Roosevelt Morris developed a fascination for the genial yet inscrutable President and after Reagan's landslide reelection in 1984 put aside the second volume of his life of Roosevelt to become an observing eye and ear at the White House During thirteen years of obsessive archival research and interviews with Reagan and his family friends admirers and enemies the book's enormous dramatis personae includes such varied characters as Mikhail Gorbachev Michelangelo Antonioni Elie Wiesel Mario Savio Françoise Mitterrand Grant Wood and Zippy the Pinhead Morris lived what amounted to a double life studying the young Dutch the middle aged Ronnie and the septuagenarian Chief Executive with a closeness and dispassion not to mention alternations of amusement horror and amazed respect unmatched by any other presidential biographer This almost Boswellian closeness led to a unique literary method whereby in the earlier chapters of *Dutch A Memoir of Ronald Reagan* Morris's biographical mind becomes in effect another character in the narrative recording long ago events with the same eyewitness vividness and absolute documentary fidelity with which the author later describes the great dramas of Reagan's presidency and the tragedy of a noble life now darkened by dementia I quite understand the author has remarked that readers will have to adjust at first to what amounts to a new biographical style But the revelations of this style which derive directly from Ronald Reagan's own way of looking at his life are I think rewarding enough to convince them that one of the most interesting characters in recent American history looms here like a colossus *Dutch* Edmund Morris, 2000 From political biographer Edmund Morris this is an authorised biography of Ronald Reagan The Reagan viewed in this book is a man of limited intellect who became a creature of the American folk imagination **Challenging**

Rhetorical Genre Elizabeth Condal, Rowan University. College of Communication, 2004 Ronald Reagan James H. Broussard, 2014-08-27 Few politicians in recent American history are as well known as Ronald Reagan the 40th U S president An iconic leader Reagan shifted the direction of American politics toward a newly vigorous conservatism Though he began his career as a New Deal liberal by the end of the 1950s Reagan had embraced conservative views His presidency saw the longest peacetime prosperity in American history as well as the fall of the Berlin Wall and the end of the Cold War but also skyrocketing deficits and the Iran Contra scandal In the twenty first century Reagan's legacy is both pervasive and contested with supporters and detractors often divided along partisan lines Yet Reagan's own actions did not always fit into partisan boxes In a clear eyed and insightful narrative James H Broussard cuts through the mythology of both sides to produce a nuanced portrait of Reagan in his historical context Supported by primary sources and a robust companion website this concise biography is an ideal introduction to this fascinating president and the issues that shaped America in the late 20th

century Routledge Historical Americans is a series of short vibrant biographies that illuminate the lives of Americans who have had an impact on the world Each book includes a short overview of the person s life and puts that person into historical context through essential primary documents written both by the subjects and about them A series website supports the books containing extra images and documents links to further research and where possible multi media sources on the subjects Perfect for including in any course on American History the books in the Routledge Historical Americans series show the impact everyday people can have on the course of history

Resisting Injustice and the Feminist Ethics of Care in the Age of Obama David A.J. Richards,2014-02-05 David A J Richards s Resisting Injustice and The Feminist Ethics of Care in The Age of Obama Suddenly All The Truth Was Coming Out builds on his and Carol Gilligan s The Deepening Darkness to examine the roots of the resistance movements of the 1960s the political psychology behind contemporary conservatism and President Obama s present day appeal as well as the reasons for the reactionary politics against him Richards begins by laying out the basics of the ethics of care and proposing an alternative basis for ethics relationality which is based in convergent findings in infant research neuroscience and evolutionary psychology He critically analyzes patriarchal politics and states that they are rooted in a reactionary psychology that attacks human relationality and ethics From there the book examines the 1960s resistance movements and argues that they were fundamentally oriented around challenging patriarchy Richards asserts that the reactionary politics in America from the 1960s to the present are in service of an American patriarchy threatened by the resistance movements ranging from the 1960s civil rights movements to the present gay rights movement Reactionary politics intend to marginalize and even reverse the ethical achievements accomplished by resistance movements creating in effect a system of patriarchy hiding in democracy Richards consequently argues that Obama s appeal is connected to his challenge to this system of patriarchy and will examine both Obama s appeal and the reactions against him in light of the 2012 presidential election This book positions recent American political development in a broad analysis of the role of patriarchy in human oppression throughout history and argues that a feminist based ethics of care is necessary to form a more humane and inclusive democratic politics

Holy War David S. New,2015-10-03 Temple Mount is believed by some Jews to be the locus of their ancient Temple Known to Muslims as Haram al Sharif the Noble Sanctuary this site is home to two mosques one of which is the third most holy shrine in all of Islam Jewish fundamentalists want to destroy the mosques on Temple Mount and rebuild the Temple Christian apocalypticists are financing and supporting their efforts If the mosques are destroyed Islamic fundamentalists have vowed to destroy Israel resulting in the possibility of nuclear war This book addresses the idea that the recent rise of militant Christian Jewish and Muslim fundamentalisms and their interaction are endangering peace in the Middle East It fully examines the thesis that apocalypticist fundamentalists Christians in America Jews in Israel and America are working together to hasten the coming of the Messiah by instigating a Holy War in the Middle East Several chapters focus on three U S political figures Jerry Falwell Ronald Reagan and Pat Robertson who

helped bring Christian fundamentalism into the mainstream of American politics One chapter tells of Jewish preparations for rebuilding the Temple on Temple Mount Other chapters document the rise of religious fundamentalism in Israel since 1967 Haram al Sharif Temple Mount crises involving Christian Jewish cooperation and the rise of Islamic fundamentalism Separate chapters are devoted to Israel's nuclear program and political psychology and the fact that nuclear weapons are leaving Russia and finding their way to Islamic nations and Islamic terrorists

Ronald Reagan Donald Henry Hinkle, 2003 A biography of the fortieth president of the United States

Radical Conservatism Robert Brent Toplin, 2006 An unflinching look at the origins philosophy meanings and impact of the radical form of conservatism that currently dominates American politics Analyzing the literature books magazines newspapers and broadcast sources that define and promote conservatism Toplin leads the reader on a provocative tour of the conservative mind as viewed by a liberal tour guide

Ronald Reagan Carolyn McGivern, Fred Landesman, 2005 This full colour impressively weighty biography concentrates on the lengthy movie career of Ronald Reagan a first career founded in an explosive era that generated such powerful Presidential politics two decades later Sadly Reagan's diverse collection of films tends to be scoffed at by the scholarly and they are today largely ignored obscured behind his later political achievements But for those wanting to understand what made this charismatically popular President of the United States of America tick his Hollywood years must be looked at in depth For it was there he learned the actor's skills that allowed the politician to communicate so effectively The unusually close relationships he was later able to forge with world leaders and the American public makes little sense without the framework of their development He was a major Hollywood player He starred in some classic film contributions He enjoyed the company of some of the day's favourite leading female stars he married two of them He worked with top producers and directors From his very early days as a film star he was deeply involved in Hollywood's politics and his broad smiling affability and silky voice hid the steel that would lead him right to the top Loaded with stills detailed movie production notes synopses financial records and reviews

Ronald Reagan and the House Democrats Karl Gerard Brandt, 2009 Drawing on materials unavailable in the 1980s Brandt details the effects of President Ronald Reagan's conservative fiscal policies on the congressional budget process and reveals how the partisan budget struggles of the Reagan years led to tough fiscal choices and greater unity within the Democratic Party Provided by publisher

The Modern American Presidency Lewis L. Gould, 2009 The Modern American Presidency is a lively interpretive synthesis of 20th century leaders filled with intriguing insights into how the presidency has evolved as America rose to prominence on the world stage Gould traces the decline of the party system and the increasing importance of the media resulting in the rise of the president as celebrity 36 photos

Ronald Reagan and the Politics of Freedom Andrew Busch, 2001 In Ronald Reagan and the Politics of Freedom Andrew E Busch goes beyond economic and foreign policies to examine Reagan's understanding of statesmanship Busch analyzes Reagan's conscious attempt to strengthen the separation of powers federalism and traditional rhetoric and his efforts to revive the notion of limited

government in a Constitutional Republic In this important new study Busch concludes that Ronald Reagan's politics of freedom found in his discourse policy and coalition building achieved significant successes in the 1980s and beyond *The Election of 1980 and the Administration of Ronald Reagan* Arthur Meier Schlesinger (Jr.), Fred L. Israel, David J. Frent, 2003 A discussion of the presidential election of 1980 and the subsequent administration of Ronald Reagan based on source documents *Reagan's War* Peter Schweizer, 2003-10-21 Reagan's War is the story of Ronald Reagan's personal and political journey as an anti communist from his early days as an actor to his years in the White House Challenging popular misconceptions of Reagan as an empty suit who played only a passive role in the demise of the Soviet Union Peter Schweizer details Reagan's decades long battle against communism Bringing to light previously secret information obtained from archives in the United States Germany Poland Hungary and Russia including Reagan's KGB file Schweizer offers a compelling case that Reagan personally mapped out and directed his war against communism often disagreeing with experts and advisers An essential book for understanding the Cold War Reagan's War should be read by open minded readers across the political spectrum **The United States Executive Branch: M-Z** Robert Sobel, David B. Sicilia, 2003 Basic biographical information including birth and death dates parent and spouse names career in and out of government and awards and honors is provided for every president vice president and cabinet head of the U S executive branch of government as well as the presidents of the Continental Congress Some bibliographic information is also provided Only those individuals who were confirmed in office by the Senate have been included Both volumes of the set provide listings of officeholders by date and position Following the biographical entries appendixes compile information related to other government service military service by branch education place of birth and marital information The material covers the first officeholders of the George W Bush administration not including late arrivals to cabinet level office such as John Snow or Tom Ridge Annotation c 2003 Book News Inc Portland OR booknews com **The Puritan Origins of American Patriotism** George McKenna, 2009 Abstract **Transactions of the Historical Society of Ghana**, 2003 **Power Plays** Dick Morris, 2002-04-16 Dick Morris is the frankest and most outspoken political analyst in America today His commentary on the Clinton White House the 2000 election and the rise of George W Bush has been marked by the sharpeyed political savvy only an insider can bring to bear Now in Power Plays Morris provides a revealing context for the machinations of contemporary politics Casting an eye across the annals of history Morris investigates 20 of the most dramatic political moves of all time from the wildly effective to the disastrous From Abraham Lincoln splitting the opposition over slavery to Winston Churchill's emergence from obscurity to lead Britain through WWII from Ronald Reagan and his conservative doctrine taking over the country to George W Bush co-opting Democratic issues under the banner of compassionate conservatism Morris illuminates these and many other gambits through his uniquely insightful perspective Equally compelling on successes and failures of the past including the real reason A Gore lost in 2000 *Major Problems in American History Since 1945* Robert

Griffith, Paula Baker, 2007 This text introduces students to both primary sources and analytical essays on important topics in U S history The book asks students to evaluate primary sources test the interpretations and draw their own conclusions CA
