Liberation in "Dutchman" and "The Slave" Karine Bonamy, 2000 **The American Slave-Trade** John R. Spears, 2018-03-12 First published in the year 1900 American journalist naval historian and author John R Spears book tells the story of American slave trading from its early beginnings in 1619 to its end with the hanging of the last slaver in 1862 In this carefully researched history Spears vividly recounts tales of the ship owners who crammed 500 or more human beings into holds so filthy that half of them died before the voyage ended and the captains who chained their human cargo to the anchor and threw them into the sea to avoid being taken with evidence There are chapters on the first slaver pirate to be executed in the United States the forming of the law that followed *Amistad* s voyage and the notion that a man may take another life if his liberty is at stake *The American Slave Trade* chronicles facts showing the gain involved and the dreams of a slave state the sham efforts as well as the authentic ones to stop slavery and exposes the fanatical bigots who they were and how they stood to profit Finally the book also details the facts relating to overcrowded ships and brutal masters in the odious traffic in African slaves **The American Slave-trade** John Randolph Spears, 1970 **American Drama Since 1960**

Matthew Charles Roudané, 1996 In the early 1960s two leaders of the New York performance group Living Theatre were asked to define its purpose In this survey of contemporary American drama Matthew C Roudane argues that the response of these two pioneers in experimental theater Julian Beck and Judith Malina goes a long way toward explaining the purpose of all of the rich and varied dramas to appear on the stage since 1960 To increase conscious awareness to stress the sacredness

of life to break down the walls African American playwrights Lorraine Hansberry Alice Childress James Baldwin Amiri Baraka women playwrights Marsha Norman Wendy Wasserstein Beth Henley gay playwrights Harvey Fierstein Tony Kushner and others have over the past three and a half decades entreated audiences to acknowledge the persistence of racism sexism homophobia and a host of other societal ills Other playwrights have asked audiences to confront their own mortality Edward Albee their compromised morality David Mamet their unfulfilled American Dream Arthur Miller Sam Shepard and countless others Whatever the particularities of these playwrights personal identities politics of dramatic style they share a willingness to confront uncomfortable truths about the human condition in America since 1960 Ironically it is in their very rebellion against any number of things American that they identify themselves and their literature as such Roudane takes no scattershot approach to his subject Favoring clusters of themes and the broad sweep of movements to linear chronology he develops a carefully aimed analysis of the work of about two dozen of the hundreds of playwrights whose dramas have since 1960 been performed in every venue from regional and university theaters to Off Off Broadway to Off Broadway to Broadway
