**Dwellers of Darkness** Stacey Brown,2017-06-15 Some days feel like years but in Ember Brycin s case just the opposite is true She had only been in the Otherworld for a day or two when she escaped with her mom Kennedy and Jared to the Earth realm But it s three years later on Earth Em would be 22 now if she was a human But she s not She is a Dae part Demon and part Fay with a little Dark Dweller thrown in to make her even more of a freak Seeing Seattle rebuilt only confirms she has been gone three years For her it was not long ago that the Seattle area was just rubble of concrete and death All done by her hand One thing that hasn t changed though is her undeniable connection to Eli Dragen who is sexy gorgeous and even more frustrating But her problems go way past him The Seelie Queen of the Otherworld still holds Mark Em s father and her friends Ryan and Josh as hostages Em needs to rescue them without once again getting caught and being used as a pawn to help the Queen regain possession of Earth At the same time Lars the Unseelie King reminds Em she is bound to him and has to locate the Sword of Light to fulfill the prophesy and kill the Queen Now that Ember knows her mother is alive so many things begin to make sense but so many other things are even more confusing To make matters worse everyone is harboring secrets Lily continues to keep the truth from Em which puts a strain on both of them As Eli s past is revealed Em understands more clearly why he acts like he does and how much their lives are intertwined But she also knows Eli is holding something back something that could change their relationship forever Em herself continues to wrestle with her feelings toward Torin and her own secret she s withholding from Kennedy As the tension for war mounts between the Seelie and Unseelie Light and Dark the tension at the Dark Dweller s compound mounts even more as they prepare to obtain the sword no matter what the price But is Ember the answer to the location of the sword Is she the one to fulfill the prophecy As usual nothing is ever what it seems
