Legend of the Land      **A Marshal's Promise** Michelle Beattie, 2018-06-18 Deputy U S Marshal Logan McCall never expected his first bullet wound to come from a young widow with pretty blue eyes Nor did he expect to nurse his injury while working incognito on a ranch Now instead of chasing the notorious band of outlaws he s been hunting he commits to proving the woman s neighbor is trying to drive her off her land Paige Kelly is only trying to protect what s hers when she shoots the tall handsome lawman by mistake She fears she ll be arrested but instead gains an ally Working together during the day leads to passion at night Soon Paige is dreaming of a very different life but first she must convince the marshal to turn in his badge and stay with her A desperate act from Logan s boyhood changed the course of his life and his demons still whisper that he isn t worthy of the things Paige is offering But as they realize there is more than one villain hiding in plain sight Logan can no longer deny what s in his heart Suddenly a lifetime of putting the law first pales to keeping Paige safe But has his realization come too late      **SkyGhost 2 - Lord Marshal** P.Z. Walker, Captain Hillary Jones and his crew have set up something close to a travel agency to welcome visitors from the city on their island for a vacation It s a good life Through a mishap just before a journey to take back some vacationers someone gets knocked out No one gets hurt but strange things start happening around the almost victim while underway to the city During their stay in the city someone vanishes The others frantically search and worry but when Hillary receives a message from the Lord Marshal things become very stressful If you want to know what happened to who and if things get resolved do join us on the next flight on the SkyGhost This adventure has more than one surprise in store also for Hillary Jones Meanwhile the Lord Marshal is up to bad things      The Memoirs of Field Marshal Montgomery Viscount Montgomery of Alamein, 2006-03-19 In his own words the victor of El Alamein tells his life story in a book that s an absolute joy to read and may be described as a tour de force Belfast News Letter First published in 1958 Montgomery s memoirs cover the full span of his career first as a regimental officer in the Royal Warwickshire Regiment and then as a Staff Officer His choice of the Warwickshires was due to his lack of money He saw service in India before impressing with his courage tactical skill and staff ability in the Great War Despite his tactless uncompromising manner his career flourished between the wars but it was during the retreat to Dunkirk that his true brilliance as a commander revealed itself The rest is history but in this autobiography we can hear Monty telling his side of the story of the great North African Campaign followed by the even more momentous battles against the enemy and sadly the Allies as he strove for victory in North West Europe His interpretation of the great campaign is of huge importance and reveals the deep differences that existed between him and Eisenhower and other leading figures His career ended in disappointment and frustration being temperamentally unsuited to Whitehall and the political machinations of NATO
