Organizing and Managing the Language Arts Block Lesley Mandel Morrow, 2003-01-01 This book offers essential guidance to preservice and inservice teachers seeking to create revise or add new strategies to the teaching of the language arts block The focus is on how to implement effective strategies in the context of a well planned classroom and a smoothly choreographed daily schedule In a series of vivid case studies Lesley Mandel Morrow brings to life the methods used by exemplary teachers to create rich student friendly learning environments for children in grades K 4 No component of organizing the language arts block is omitted including setting up and running classroom learning centers assessing different instructional needs conducting whole class and small group meetings and linking language arts to content area instruction Enhancing the practical utility of the book are sample daily schedules and classroom management tips for each grade level along with dozens of reproducible learning activities lesson plans and assessment and record keeping tools

Poetry and the Meaning of Life David Ian Hanauer, 2004 A poem can explain the inexplicable and express the unexpressed This is how reading poetry enhances understanding and writing poetry helps students say things that they could not say in any other way And it s why David Hanauer believes that poetry deserves to play a central role in classroom literacy programs In *Poetry and the Meaning of Life* David explains how teachers can use poems to help students understand and express important thoughts feelings and experiences He does this by discussing theories of reading and writing and relating these to vignettes that demonstrate how real teachers in real classrooms have used poetry to put these theories into practice with emergent and beginning readers with mature readers and with English language learners The book concludes with a clarion call to teachers to use the transformative power of poetry to encourage their students to search out the meaning in their own lives

Literacy's Beginnings Lea M. McGee, Donald J. Richgels, 2000 The third edition of *Literacy's Beginnings* Supporting Young Readers and Writers offers an integrated literature based approach to reading and writing instruction keyed to the typical developmental stages through which most children pass Its emphasis is on child centered instruction in phonemic awareness phonics decoding comprehension and interpretation Numerous vignettes are presented which describe young children s reading and writing from birth to age eight Children s learning is examined in social settings including home preschool and school A thorough description of ways to organize an environment to stimulate the growth of language both written and oral makes the text an invaluable resource for prospective teachers of children from birth to age eight
