Evolution And Conversion Dialogues On The Origins Of Culture:

Evolution and Conversion René Girard, 2017-02-23 *Evolution and Conversion* explores the main tenets of Ren Girard's thought in a series of dialogues. Here Girard reflects on the evolution of his thought and offers striking new insights on topics such as violence, religion, desire, and literature. His long argument is a historical one in which the origin of culture and religion is reunited in the contemporary world by means of a reinterpretation of Christianity and an understanding of the intrinsically violent nature of human beings. He also offers provocative re-readings of Biblical and literary texts and responds to statements by Daniel Dennett and Richard Dawkins. Including an introduction by the authors, this is a revealing text by one of the most original thinkers of our time.

Evolution and Conversion René Girard, João Cezar de Castro Rocha, Pierpaolo Antonello, 2007-01-01 A reappraisal of Ren Girard's theory on the relationship between violence and religion in light of today's society. *René Girard and the Western Philosophical Tradition, volume 1* Andreas Wilmes, George A. Dunn, 2024-07-01 This edited volume situates Ren Girard in relation to the Western philosophical tradition. Each chapter engages the French anthropologist in dialogue with a key figure from the history of Western philosophy from Plato to Kierkegaard. The pivotal question of Ren Girard and the Western Philosophical Tradition revolves around Girard's assertion: Since the attempt to understand religion on the basis of philosophy has failed, we ought to try the reverse method and read philosophy in the light of religion. Major philosophers influenced Girard and contributed valuable insights into questions of desire, religion, violence, and the sacred. At the same time, he felt that Western philosophy often, if not always, neglected the founding violence that lies at the origin of culture. This is the first collective scholarly effort at situating Ren Girard in relation to the Western philosophical tradition. Volume 1 features chapters on Plato, Augustine of Hippo, Niccol Machiavelli, Thomas Hobbes, Blaise Pascal, Baruch Spinoza, Jean Jacques Rousseau, Adam Smith, Immanuel Kant, Georg Wilhelm Friedrich Hegel, Friedrich Wilhelm Joseph Schelling, Alexis de Tocqueville, Søren Kierkegaard, and Ren Girard.

How We Became Human Pierpaolo Antonello, Paul Gifford, 2015-10-01 From his groundbreaking *Violence and the Sacred* and *Things Hidden since the Foundation of the World*, Ren Girard's mimetic theory is presented as elucidating the origins of culture. He posits that archaic religion or the sacred, particularly in its dynamics of sacrifice and ritual, is a neglected and major key to unlocking the enigma of how we became human. French philosopher of science Michel Serres states that Girard's theory provides a Darwinian theory of culture because it proposes a dynamic that shows an evolution and gives a universal explanation. This major claim has, however, remained underscrutinized by scholars working on Girard's theory, and it is mostly overlooked within the natural and social sciences. Joining disciplinary worlds, this book aims to explore this ambitious claim, invoking viewpoints as diverse as evolutionary culture theory, cultural anthropology, archaeology, cognitive psychology, ethology, and philosophy. The contributors provide major evidence in favor of Girard's hypothesis. Equally, Girard's theory is presented as having the potential to become for the human and social sciences something akin to the integrating framework that present day

biological science owes to Darwin something compatible with it and complementary to it in accounting for the still remarkably little understood phenomenon of human emergence

Shakespearean Cultures João Cezar de Castro Rocha, 2019-04-01 In *Shakespearean Cultures* Ren Girard's ideas on violence and the sacred inform an innovative analysis of contemporary Latin America. Castro Rocha proposes a new theoretical framework based upon the poetics of emulation and offers a groundbreaking approach to understanding the asymmetries of the modern world. Shakespearean cultures are those whose self-perception originates in the gaze of a hegemonic Other. The poetics of emulation is a strategy developed in situations of asymmetrical power relations. This strategy encompasses an array of procedures employed by artists, intellectuals, and writers situated at the less favored side of such exchanges, whether they be cultural, political, or economic in nature. The framework developed in this book yields thought-provoking readings of canonical authors such as William Shakespeare, Gustave Flaubert, and Joseph Conrad. At the same time, it favors the insertion of Latin American authors into the comparative scope of world literature and stages an unprecedented dialogue among European, North American, and Latin American readers of Ren Girard's work.

Sacrifice Imagined Douglas Hedley, 2011-09-08 *Sacrifice Imagined* is an original exploration of the idea of sacrifice by one of the world's preeminent philosophers of religion. Despisers of religion have poured scorn upon the idea of sacrifice as an index of the irrational and wicked in religious practice. Nor does its secularised form seem much more appealing. One need only think of the appalling cult of sacrifice in numerous totalitarian regimes of the twentieth century. Yet sacrifice remains a part of our cultural and intellectual imaginary. Hedley proposes good reasons to think that issues of global conflict and the ecological crisis highlight the continuing relevance of the topic of sacrifice for contemporary culture. The subject of sacrifice has been decisively influenced by two books: Girard's *The Violence and the Sacred* and Burkert's *Homo Necans*. Both of these are theories of sacrifice as violence. Hedley's book challenges both of these highly influential theories and presents a theory of sacrifice as renunciation of the will. His guiding influences in this are the much misunderstood Joseph de Maistre and the Cambridge Platonists.

Faith, War, and Violence Gabriel R. Ricci, 2017-09-08 *Faith, War, and Violence* analyzes the age-old links between religion and violence perpetrated in the name of God and the role religion performs in politically infusing the state with romantic spiritualism. The volume examines instances of this phenomenon from ancient Rome to the modern day; it finds that religion-inspired violence is not restricted to Abrahamic faiths or to one geographic region. The fact that symbolically charged religious violence has destructive consequences is not lost on contributors to *Faith, War, and Violence*. Among the subjects tackled are the ideological and religious foundations that inspired the founders of Al Qaeda and its role in the Arab Spring; the long history of religious conflict in Ireland, known as the Troubles; Sikh extremism; and the evolution of the Christian approach to war. As the contributors demonstrate in Western societies, the unity of religious fervor and warmongering stretches from Constantine's incorporation of Christian symbols into Roman army flags to slogans like *Gott mit uns* (God is with us), which appeared on the

belt buckles of German soldiers in World War I In recent years George W Bush declared the war on terror a crusade and his speechwriter David Frum coined the religiously inspired term Axis of Evil to describe Iraq and other countries opposing the United States

Christianity, Truth, and Weakening Faith Gianni Vattimo, Rene Girard, 2010-02-15 The debate over the place of religion in secular democratic societies dominates philosophical and intellectual discourse These arguments often polarize around simplistic reductions making efforts at reconciliation impossible Yet more rational stances do exist positions that broker a peace between relativism and religion in people s public private and ethical lives Christianity Truth and Weakening Faith advances just such a dialogue featuring the collaboration of two major philosophers known for their progressive approach to this issue Seeking unity over difference Gianni Vattimo and Ren Girard turn to Max Weber Eric Auerbach and Marcel Gauchet among others in their exploration of truth and liberty relativism and faith and the tensions of a world filled with new forms of religiously inspired violence Vattimo and Girard ultimately conclude that secularism and the involvement or lack thereof of religion in governance are in essence produced by Christianity In other words Christianity is the religion of the exit from religion and democracy civil rights the free market and individual freedoms are all facilitated by Christian culture Through an exchange that is both intimate and enlightening Vattimo and Girard share their unparalleled insight into the relationships among religion modernity and the role of Christianity especially as it exists in our multicultural world

Architects & Mimetic Rivalry René Girard, Léon Krier, Kent C. Bloomer, 2012 Humans are imitative beings The imitation of preferred masters and forms is natural to artists and architects but also the root cause of their conflicts and rivalries leading to what Ren Girard has called mimetic rivalry Architects Mimetic Rivalry is a discussion of the effects of this broad yet unrecognized phenomenon on the architects and architecture of today

Barbarous Philosophers Christopher Coker, 2010 This is not a book about philosophy and war It is a book on contemporary conflict in which the author invokes philosophy to help understand the problems that we face in fighting war today Barbarous Philosophers sets out to discuss the nature of war through the work of sixteen philosophers from Heraclitus in the sixth century BC to the philosopher physicist Werner Heisenberg writing in the 1950s Each section begins with a brief epigram representative of each writer s thinking The contention of the book is that war as opposed to warfare is largely an invention of philosophy our reflection on organised collective violence that date from the time we emerged from the hunter gatherer stage of development and created the first civilisations centred around city life The Greek philosophers were the first to invent what Pascal called the rules of war and in representing the nature of war they also influenced how it was conducted to the extent that generals allowed their minds to be shaped over time by the work of philosophy The purpose of philosophy writes Herbert Simon is to understand meaningful simplicity in the midst of disorderly complexity Behind the flux of everyday life there is an ordered existence which it is the task of philosophy to uncover if it can Behind the ever changing character of war lies its nature that needs to be grasped if it is to be waged successfully

The Genesis of Desire Jean-Michel Oughourlian, 2010 Our desire makes us

sick The throes of rivalry are at the heart of our attraction to one another This is the central thesis of Jean Michel Oughourlian's *The Genesis of Desire* where the war of the sexes is finally given a scientific explanation The discovery of mirror neurons corroborates his ideas clarifying the phenomena of empathy and the mechanisms of violent reciprocity

Christ in Postmodern Philosophy Frederiek Depoortere, 2008-10 An investigation into the Christological ideas of three contemporary thinkers Slavoj Žižek Gianni Vattimo and René Girard

René Girard, promoteur d'une science des rapports humains Jean-Marc Bourdin, 2018-05-16 Contrairement à l'idée selon laquelle il galit rendrait sans objet les convoitises et limiterait les occasions de conflit elle les suscite le paradigme des frères ennemis vaut entre les hommes comme entre les peuples Une histoire mimétique vient le confirmer L'anthropologie fondamentale de René Girard se révèle ainsi apte unifier les disciplines qui prolifèrent dans le champ des humanités pour reposer nouveaux frais la question majeure du politique la contention de la violence

Bibliographic Index, 2010 **Darwin's Pious Idea** Conor Cunningham, 2010-12-03 According to British scholar Conor Cunningham the debate today between religion and evolution has been hijacked by extremists on one side stand fundamentalist believers who reject evolution outright on the opposing side are fundamentalist atheists who claim that Darwin's theory rules out the possibility of God Both sides are dead wrong argues Cunningham who is at once a Christian and a firm believer in the theory of evolution In *Darwin's Pious Idea* Cunningham puts forth a trenchant compelling case for both creation and evolution drawing skillfully on an array of philosophical theological historical and scientific sources to buttress his arguments

Can We Survive Our Origins? Pierpaolo Antonello, Paul Gifford, 2015-01-01 Are religions intrinsically violent as is strenuously argued by the new atheists Or as Girard argues have they been functionally rational instruments developed to manage and cope with the intrinsically violent runaway dynamic that characterizes human social organization in all periods of human history Is violence decreasing in this time of secular modernity post Christendom as argued by Steven Pinker and others Or are we rather at increased and even apocalyptic risk from our enhanced powers of action and our decreased socio symbolic protections René Girard's mimetic theory has been slowly but progressively recognized as one of the most striking breakthrough contributions to twentieth century critical thinking in fundamental anthropology in particular for its power to model and explain violent sacralities ancient and modern The present volume sets this power of explanation in an evolutionary and Darwinian frame It asks How far do cultural mechanisms of controlling violence which allowed humankind to cross the threshold of hominization i.e. to survive and develop in its evolutionary emergence still represent today a default setting that threatens to destroy us Can we transcend them and escape their field of gravity Should we look to or should we look beyond Darwinian survival What and where if anywhere is salvation

Three Apodeictic Dialogues G. V. Loewen, 2011 The concept of certainty may be approached contextually through the use of dialogue In three creative dialogues involving characters that are often seen as representing each other's antipodes a theist and an atheist a therapist and the rapist and two multi voiced group personae

casual ties and casualties this text negotiates the overlapping aspects of consciousness that each must have in its alter
Coming to know the other in oneself while at the same time othering ourselves is one process of knowing more fully the truth
of the human condition The dialogues are bookended by a meditative and philosophical introduction concerning human
finitude and the role of the otherness of death and a scholarly conclusion about the vicissitudes within the use of human
language Drawing on sources from anthropology archaeology socio linguistics and critical philosophy and using both
conversation and academic exposition Three Apodeictic Dialogues offers a unique perspective on some of the disconcerting
questions that animate belief desire and communication

Evolution And Conversion Dialogues On The Origins Of Culture Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Evolution And Conversion Dialogues On The Origins Of Culture PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Evolution And Conversion Dialogues On The Origins Of Culture PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Evolution And Conversion Dialogues On The Origins Of Culture free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Evolution And Conversion Dialogues On The Origins Of Culture Books

1. Where can I buy Evolution And Conversion Dialogues On The Origins Of Culture books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Evolution And Conversion Dialogues On The Origins Of Culture book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Evolution And Conversion Dialogues On The Origins Of Culture books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Evolution And Conversion Dialogues On The Origins Of Culture audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Evolution And Conversion Dialogues On The Origins Of Culture books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
