Fables Mart The Medieval Academy Reprints For Teaching:

The Medieval Book Barbara A. Shailor, Beinecke Rare Book and Manuscript Library, Medieval Academy of America, 1991-01-01 Originally published by Beinecke Rare Book and Manuscript Library 1988 *Guide to Reprints*, 2009

Edinburgh Companion to the Bible and the Arts Stephen Prickett, 2019-08-07 Examines the changing relationship between the Bible and the arts showing how the arts portray biblical stories in various ways and through various media and how the Bible is actually multiple entities fiercely contested translations in many languages Generously illustrated with examples including painting architecture and stained glass **Guide to Reprints** K G Saur Publishing, K. G. Saur Verlag GmbH & Company, Walter de Gruyter GmbH, 2005-10 The established reference work Guide to Reprints has been radically reworked for this edition Bibliographical data was substantially increased where information was obtainable In addition the user friendliness of Guide to Reprints was raised to the high level of other K G Saur directories through author title cross

references a subject volume a person index and a publisher index In this edition the directory lists more than 60 000 titles from more than 350 publishers **Rural Space in the Middle Ages and Early Modern Age** Albrecht Classen, 2012-05-29 Older research on the premodern world limited its focus on the Church the court and more recently on urban space The present volume invites readers to consider the meaning of rural space both in light of ecocritical readings and social historical approaches While previous scholars examined the figure of the peasant in the premodern world the current volume combines a large number of specialized studies that investigate how the natural environment and the appearance of members of the rural population interacted with the world of the court and of the city The experience in rural space was important already for writers and artists in the premodern era as the large variety of scholarly approaches indicates The present volume signals how much the surprisingly close interaction between members of the aristocratic and of the peasant class determined many literary and art historical works In a surprisingly large number of cases we can even discover elements of utopia hidden in rural space We also observe how much the rural world was a significant element already in early medieval mentality Moreover as many authors point out the impact of natural forces on premodern society was tremendous if not catastrophic Medievalia Et Humanistica No. 27 Paul Maurice Clogan, 2000 Clogan English U North
