Facing Leviathan Leadership Influence And Creating In A Cultural Storm:

Facing Leviathan Mark Sayers, 2014-02-25 There are two styles of leadership at war in the world On one side the mechanical leader casts a vision of heroic action aided by pragmatism reason technology and power On the other side the organic leader strives to bring forth creativity defying convention and relishing life in culture's margins This leadership battle is at the heart of our contemporary culture but it is also an ancient battle It is the reinvocation of two great heresies one rooted in an attempt to reach for godlikeness the other bowing before the sea monster of the chaotic deep Today's leader must answer many challenging questions including What does it mean to lead in a cultural storm How do I battle the darkness in my own heart Is there such a thing as a perfect leader Weaving a history of leadership through the Enlightenment Romanticism tumultuous 19th century Paris and eventually World War II cultural commentator Mark Sayers brings history and theology together to warn of the dangers yet to come calling us to choose a better way Resolutions of a Pastor Michael E. Pohlman, 2025-03-12 With the promise of numerical growth pastors are annually bombarded with new leadership techniques and paradigms for ministry Many of these are influenced more by secular business philosophy pragmatic thinking and homespun advice than the Bible The church is left spiritually impoverished and ill equipped to face the challenges of secularization for want of a biblical theological vision for ministry This book fills a gap in the literature by being exegetically vigorous and obviously informed by biblical historical and systematic theology The result is a robust work of pastoral theology able to meet the ministry challenges of the twenty first century There is no more important institution in the world than the church And the best way to strengthen the church is to strengthen her shepherds This is the aim of The Resolutions of a Pastor **Spirituality in Mission** John Amalraj, Geoffrey W. Hahn, 2018-01-03 Authors from eighteen countries give us their perspectives on biblical principles and cultural expressions of spirituality particularly as the church engages in God's mission The anthology of texts enriches our understanding of the depth and the meaning of being spiritual and the diversity of forms to live out the Christian faith The issue today is how spirituality should direct and guide a daily life as followers of Jesus in the engagement in the mission of God No doubt that it has to do with our inner life and our relationship to God but it is in showing our love and concern to others that we prove our love to God according to the Apostle John 1 John 4 Mission without spirituality will only be a human effort to convince people of religious theories Spirituality without a missionary involvement of the church will not express God's desire that the transforming gospel reaches every person This book will help you rethink your understanding of what is spiritual revisit your own spiritual journey and appreciate the different forms of spirituality as they are described and performed around the globe **Immeasurable** Skye Jethani, 2017-10-03 CHRISTIANITY TODAY'S PASTORAL CHURCH LEADERSHIP BOOK OF THE YEAR 2017 In my first seminary class we were asked to introduce ourselves and say why we enrolled I'll never forget what one student said My denomination wants me to have an M Div but once they see I can grow a big church I don't think they'll make me finish the

program The priorities of this future pastor were startling but he's not alone in them In the years since that class author and minister Skye Jethani has seen more and more pastors swallowed by the celebrity syndrome Not long ago ministers were among the most trusted and admired people in our culture But not anymore A 2013 study from Gallop revealed that Americans admiration for clergy has reached an all time low That taken with reduced trust of institutional religion overall makes it easy to see why ministers feel insecure about their calling In response to this trend some pastors have looked to emulate those who are praised by the culture business leaders entertainers and social activists This has led to a new understanding of what a minister should be We've turned away from viewing our pastors as shepherds and now expect them to be celebrities Immeasurable will help ministers recognize the cultural forces shaping their view of the calling and then reimagine what faithful church leaders can look like in the twenty first century Through short essays and reflections on the pastor's soul and skills this book will help prospective pastors explore their calling to ministry and it will help veteran pastors reframe their vision for the work Drawing on cultural dynamics personal stories and his own experience working in a church and with church leaders Skye Jethani will address matters like ambition anger community consumerism fame health justice platform preaching rest simplicity success vision and more There are endless resources to help pastors do the practical work of ministry but there are far fewer that speak to the pastor's soul and spirit Immeasurable provides affirmation and encouragement for church leaders faithfully serving God It commends the true work of ministry shepherding teaching encouraging while redefining what we mean by success in ministry It's a book church leaders can return to again and again for insight and inspiration

The Wolf in Their Pockets Chris Martin, 2023-03-07 The world has changed And we feel it in our homes schools and congregations We can hardly remember a time when we didn't feel the influence of that back pocket device The average social media user spends about two and a half hours a day using social media That's more than enough time to shape our values and desires Pastors teachers and parents feel their influence slipping away We're seeing increased loneliness disunity and self absorption But where do we go from here In *The Wolf in Their Pockets* Internet expert Chris Martin examines the many ways we are being changed by social media With a biblically informed voice Martin both exposes the ways the Internet is distorting our life in Christ and shows us how to faithfully respond Martin teaches us how to care for people who are obsessed with followers views and likes and how to love those whose online influences have filled them with cynicism and contempt Martin looks at how the social Internet is changing how we understand sex and beauty what to do about the epidemic levels of anxiety and how to redirect our hearts to worship Jesus Christ Shepherding and leading people has never been easy but the social Internet has brought new challenges We need the miraculous work of the Holy Spirit and a powerful prayer life Martin provides the biblical wisdom direction and hope necessary to combat *The Wolf in Their Pockets*

Strange Days Mark Sayers, 2017-05-02 What in the world is going on These days the world has everyone spinning Weekly terrorist attacks The refugee crisis Transgender bathrooms Academic safe spaces Tensions with Russia A perpetually

uncertain economy The list goes on It s enough to make us crazy or want to put our heads in the sand But we can t because these are our times and we must face them So what many Christians are looking for is someone to communicate a way forward someone who both understands culture and trusts the Bible Mark Sayers is such a leader one who writes from the future He is a gifted cultural analyst who combines his biblical knowledge curious mind and pastoral heart to offer a guide to the times Strange Days will help Christians slow down get their bearings and follow God with wisdom and tact in this wild world Take heart for I have overcome the world Jesus said nearly 2 000 years ago And that s the message of Strange Days the message the church needs today *Who Do We Choose to Be?* Margaret J. Wheatley, 2017-06-19 This book is born of my desire to summon us to be leaders for this time as things fall apart to reclaim leadership as a noble profession that creates possibility and humaneness in the midst of increasing fear and turmoil I know it is possible for leaders to use their power and influence their insight and compassion to lead people back to an understanding of who we are as human beings to create the conditions for our basic human qualities of generosity contribution community and love to be evoked no matter what I know it is possible to experience grace and joy in the midst of tragedy and loss I know it is possible to create islands of sanity in the midst of wildly disruptive seas I know it is possible because I have worked with leaders over many years in places that knew chaos and breakdown long before this moment And I have studied enough history to know that such leaders always arise when they are most needed Now it s our turn
