Focus On Community College Success Textbook Specific Csfi:

FOCUS on Community College Success Constance Staley, 2011-01-01 Constance Staley's FOCUS ON COMMUNITY COLLEGE SUCCESS is uniquely equipped to turn the tides. Visually appealing, research-based, and highly motivational, this text thoroughly engages students with direct applications and immediate results. Staley, one of the best-known names in the field of motivation and focus, increases the credibility of the college success course by providing tools that help students and she improves retention specifically designed for community college students. Thoroughly researched, the text covers the topics most important to student success and incorporates underlying themes of motivation and self-discipline throughout. Rather than talking down to students or speaking over their heads, FOCUS ON COMMUNITY COLLEGE SUCCESS initiates a personal and informal conversation with readers, directly connecting them with and drawing them into text discussions. FOCUS on College Success Constance C. Staley, 2012-01-01 With increased attention paid to diversity, the application of skills to future careers, and even more relatable research, the third edition of FOCUS ON COLLEGE SUCCESS recognizes the varied experiences of today's students and guides them to be more motivated and focused. The research-based approach builds a solid foundation, allowing students to see the relevancy of this course to their lives. By helping students develop realistic expectations of what it takes to learn, FOCUS motivates and encourages students with direct applications and immediate results. Written by Constance Staley, one of the best-known names in the field of motivation, this text increases the credibility of the college success course by providing tools that help students succeed and thereby improve institutional retention rates. Starting with the use of the FOCUS Challenge Cases that introduce each chapter, FOCUS ON COLLEGE SUCCESS strikes a personal and informal conversation with readers, directly connecting with them and drawing them into text discussions. In a recent survey of students using FOCUS, 97% would recommend that their professor use this book again with next year's first-year students. Many students today are over-optionalized and over-obligated. FOCUS ON COLLEGE SUCCESS addresses those issues head-on, creating teachable moments and concrete results in every class period. FOCUS on College Success, Concise Edition Constance Staley, 2011-01-01 According to recent market research, students are less academically engaged than ever before—a downward trend that has nothing to do with intellect but everything to do with motivation, focus, and discipline. Visually appealing, research-based, and highly motivational, FOCUS ON COLLEGE SUCCESS CONCISE EDITION completely engages students with direct applications and immediate results. Thoroughly researched, the text covers the topics most important to student success and incorporates underlying themes of motivation and self-discipline throughout. Rather than talking down to students or speaking over their heads, FOCUS ON COLLEGE SUCCESS CONCISE EDITION initiates a personal and informal conversation with readers, directly connecting with and

drawing them into text discussions Like FOCUS ON COLLEGE SUCCESS this concise version of the text addresses the needs of today's college students In this smaller version chapters on information literacy writing speaking skills and wellness have been removed to concentrate on the core elements of the college success class By holding to one good example for each chapter Staley allows for the hands on learning at which she excels while creating a concise student focused option for the classroom Important Notice Media content referenced within the product description or the product text may not be available in the ebook version
