For Such A Time As This Comfort From Meditations Nph Classic:

For Such A Time As This Various,2010-07-01 Devotions on Bible passages for comfort and encouragement in tough times Everywhere you turn you face bad news whether it s the economy threats of terrorism natural disasters violence or another friend has just been diagnosed with cancer Maybe you or someone you know just lost a loved one We all struggle or grieve in life and wonder where to turn for comfort Dear Christian God speaks comfort to you in his Word Listen to him For Such a Time as This includes three hundred devotions based on Bible passages from the Old Testament the four gospels and the epistles in the New Testament All of the devotions emphasize gospel comfort and are especially meaningful during times of struggle or grief

For Such A Time As This ,2010-06 **In Search of Solitude** Thomas C. Oden,2010-11-09 In Search of Solitude is a collection of meditations that record moments of a spiritual pilgrimage The purpose of these meditations is to put the soul in touch with the eternal in an ordinary time frame Tom Oden relies on the ancient classic pattern of daily meditative hours to order the life of prayer An hour here refers not to sixty minutes but to the phases of the daily cycle related to darkness and light Spending even a minute in prayer and meditation seven times a day sanctifies the entire daily cycle In Search of Solitude presents selections from Tom Oden s lifetime of personal meditations arranged according to the daily hours for seven weeks A series of prose interludes explain the understanding of the flow of time in which the acts of praise occur Organized during the ten years following his wife s death the meditations point to particular events and glimpses of reality Readers can meditate on them to grasp meaning and applications for their own lives Those who mourn the lost richness of an ordered prayer life will find In Search of Solitude a contemporary means of re grounding their spirituality simply by accessing this celebrated ancient structure made available in electronic format at their fingertips
