What Lies Beyond the Veil Harper L. Woods,2024-12-17

From indie darling Harper L Woods comes WHAT LIES BEYOND THE VEIL the first book in the Of Flesh and Bone series where the heated fae romance of A Court of Thorns and Roses meets The Witcher Once we d worshipped them as Gods For nearly 400 years the Veil has protected us from the Fae of Alfheimr In their absence our lives have shifted from decadence and sin to survival and virtue under the guidance of the New Gods I ve spent my entire life tending to the gardens next to the boundary between our worlds drawn to the shimmering magic like a moth to the flame Then we died on their swords All of that changes the day the Veil shatters unleashing the fae upon our world once again The magic of faerie marks those of us they mean to take but the Mist Guard protecting Nothrek will kill us all before they let the fae have us There s no choice but to flee everything I ve ever known not if I want to live to see my twenty first birthday as a free woman Now they ll claim what s theirs But before they capture me Caelum saves me from the Wild Hunt Fae marked and on the run he is able to fight back in ways I only dream of From tentative alliance to all consuming passion our bond strengthens as the fae close in and evil lurks ever nearer With my life on the line he is everything I shouldn t dare to want and a distraction I can t afford I can t seem to stay away not even with something greater on the line My heart At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
