Fools Errand Reconstruction Classics Literature Ebook:

A Reply to "A Fool's Errand, by One of the Fools" William Lawrence Royall, 2024-02-25 Reprint of the original first published in 1881 **A Fool's Errand** Albion Winegar Tourgée, 2010-04 Reprint of the 1879 1880 edition Albion Tourgée's *A Fool's Errand* was an enormously popular book in its time. It was based largely on Tourgée's actual experiences in Greensboro, North Carolina, during Reconstruction. *A Fool's Errand* is the fictional story of Comfort Servosse, a man of French-Canadian descent. It follows him briefly as he joins the Civil War on the Union side, then returns home after the war and resolves to move his family to the South. He purchases a decayed plantation called Warrington in Rockford County, the state to which he moves is never identified. In his new home, Servosse almost immediately makes a name for himself as a radical Yankee or carpetbagger and arouses the hostility of the neighbors in the community. The rest of the story follows his increasing involvement on the behalf of former slaves in the community and his opposition to the activities of the Ku Klux Klan. Interspersed in this story are several digressions and conversations in which Servosse, his friends, and even the narrator discuss the numerous problems facing the South during the time of reconstruction. The author describes in detail various issues and attitudes regarding those issues, even to the point of describing in detail northern and southern attitudes about themselves and each other, both before and after the war. He also describes several reconstruction plans. Numerous digressions and letters seem to be indictments against the federal government in Washington, blaming some of the violence and trouble in the South on Washington's unwillingness to step in where required. His other major additions have to do with the national decline of the KKK and the general failure of reconstruction governments to take hold and transform the South in terms of culture or law. *A Reply to a Fool's Errand, by One of the Fools (Classic Reprint)* William Lawrence Royall, 2015-08-08 Excerpt from *A Reply to a Fool's Errand by One of the Fools*. Gentlemen, Your demand that I should write a Preface to the book you have printed seems to me utterly preposterous. It is like a man introducing himself always as an awkward and generally a useless piece of business. What is the use of the prologue to the epic, coming on anyhow, unless it be a sort of advertisement, and in that case you ought to write it. Whoever does that should be wise enough to play the fool. And to do that well craves a sort of wit. That is not the kind of fool I am. All such work I delegate to you, and hereby authorize and empower you to say what you please of what I have written, only begging you keep in mind one clear distinction. There are two kinds of

Fools The real Fool is the most sincere of mortals the Court Fool and his kind the trifling jesting buffoon but simulate the family virtue and steal the family name for sordid purposes The life of the Fool proper is full of the poetry of faith He may run after a will o the wisp while the Wise deride but to him it is a veritable star of hope He differs from his fellow mortals chiefly in this that he sees or believes what they do not and consequently undertakes what they never attempt If he succeed in his endeavor the world stops laughing and calls him a Genius if he fail it laughs the more and derides his undertaking as A Fool s Errand So the same individual is often both fool and genius a fool all his life and a genius after his death or a fool to one century and a genius to the next or a fool at home and a prodigy abroad About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Fool's Errand (Classic Reprint) Mrs. Victor Rickard, 2016-11-10 Excerpt from A Fool s Errand Quentin dillon was back in London again suffering from a sense of general atness There seemed to be no more ups and downs or tremendous moments left in life The waves of war had receded and the feverish exalta tions the queerly inconsequent intricacies and all the horror as well as much of the zest of the past had vanished quietly and was no longer there If fete days ask for to morrow it is also true that misery and the terrible intoxication of a long ordeal makes its demand for some thing further to stir the soul Though he had once longed for a renewal of the old order of things he did not know then that change had touched him with a strong formative hand and a gap wider than years alone separated the old Quentin Dillon from the man who stared out of the window of his club in Pall Mall About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
