For The Children's Sake Foundations Of Education For Home And School:

For the Children's Sake Susan Schaeffer Macaulay, 2009-06-17 Provides a Christian perspective on how to make education a meaningful experience at home or at school for parents students and educators *For the Family's Sake* Susan Schaeffer Macaulay, 1999-09-16 For many of us the word home brings warm thoughts and happy memories far more than the dictionary's simple definition of a place of birth or one's living quarters For many of us home is where the heart is Yet it is even more than that It is the secure environment that allows our hearts to develop A haven of growth quiet and rest The place where we love and are loved Sadly though this kind of home is beginning to disappear as our busy society turns homes into houses where related people abide but where there is no heart With a desire to help you nurture your family's heart Susan Schaeffer Macaulay presents a clear blueprint for constructing a home that survives the variety of situations that you face in modern life With Jesus Christ as the foundation using tools such as common sense realism and traditions you can build a secure loving environment where every member of your family can flourish Encyclopedia of Christian Education George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women's education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes cover a vast range of topics from Christian education History spanning from the church's founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education
