Fords An American Epic Peter Collier and David Horowitz tell the riveting story of three generations of Fords a dramatic
story of conflict between fathers and sons played out against the backdrop of America s greatest industrial empire The story
begins with the first Henry Ford the mechanical wizard tinkerer and mad genius who drove the automobile into the heart of
American life and conquered the world with it An American Original by the end of his life he had become an embittered crank
who so possessively loved the company he built that when his son Edsel tried to change it to suit the changing times Henry
destroyed him It was left to Edsel s son Henry II to avenge him and save the Ford Motor Company in the postwar world From
the details of the first Henry s illicit affair and illegitimate son to the life and loves of Hank the Deuce and his celebrated feud
with Lee Iacocca this is an engrossing account of a vital chapter in American history The authors have added new material to
this classic work showing how Henry II s line lost out to the line of his brother William Clay Ford in the quest to control this
