## **Encounter Reflections Sacred Christi Ortiz:**

**Encounter** Christi Ortiz,2014-02-15      **Encounter** Christi Ortiz,2015-12-07 We have an innate need for meaning and transcendence The superficial and mundane fail to satisfy our deeper desires We long for something more Our most important memories joys and treasures center around Love Connection Generosity Moments that connect us to a deeper reality They transport us beyond ourselves We feel connected to something greater than ourselves This book is about opening the door for those experiences Reflecting on those Sacred Moments It is an invitation to draw deeper into prayer and Encounter that which is always present      **The Sacred and the Cinema** Sheila J. Nayar,2012-03-29 For more than half a century now scholars have debated over what comprises a genuinely religious film one that evinces an authentic manifestation of the sacred Often these scholars do so by pitting the successful films against those which propagate an inauthentic spiritual experience with the biblical spectacular serving as their most notorious candidate This book argues that what makes a filmic manifestation of the sacred true or authentic may say more about a spectator or critic s particular way of knowing as influenced by alphabetic literacy than it does about the aesthetic or philosophical and sometimes even faith based dimensions of the sacred onscreen Engaging with everything from Hollywood religious spectacles Hindu mythologicals and an international array of films revered for their transcendental style The Sacred and the Cinema unveils the epistemic pressures at the heart of engaging with the sacred onscreen The book also provides a valuable summation of the history of the sacred as a field of study particularly as that field intersects with film      The Insurmountable Darkness of Love Douglas E. Christie,2022 This book is a reflection on the meaning of spiritual darkness especially those difficult places in human experience where meaning seems to elude us where we are emptied out and are compelled to dig deeper into who we truly are Douglas E Christie takes up this facet of experience in ordinary human experience but also in relation to the Christian contemplative and mystical traditions where such experience is often understood to be both painful and transformative allowing the mind and heart to open in love      **The Blue Sapphire of the Mind** Douglas E. Christie,2013 In The Blue Sapphire of the Mind Douglas E      Reimagining Theologies of Marriage in Contexts of Domestic Violence Rachel Starr,2018-04-17 Domestic violence is a significant threat to women s survival But Christian understandings of marriage often prevent women from resisting abusive relationships Can the Church s teaching on marriage be reshaped so that it helps women to survive rather than encourage them to submit to their husband bear their cross or sacrifice themselves for the sake of their marriage Focusing on everyday practices of marriage in two very different contexts Argentina and England Reimagining Theologies of Marriage in Contexts of Domestic Violence considers how Christian understandings of marriage as a covenant or sacrament relate to the lived experience of marriage Drawing on Augustine s notion of the goods of marriage and on belief in the saving power of marriage this book suggests that only when the wellbeing of bodies is central to a marriage can it have the power to save      **Staging Harmony** Katherine Steele Brokaw,2016-07-18 In Staging Harmony

Katherine Steele Brokaw reveals how the relationship between drama music and religious change across England's long sixteenth century moved religious discourse to more moderate positions. It did so by reproducing the complex personal attachments, nostalgic overtones, and bodily effects that allow performed music to evoke the feeling if not always the reality of social harmony. Brokaw demonstrates how theatrical music from the late fifteenth to the early seventeenth centuries contributed to contemporary discourses on the power and morality of music and its proper role in religious life, shaping the changes made to church music as well as people's reception of those changes. In representing social affective and religious life in all its intricacy and in unifying auditors in shared acoustic experiences, staged musical moments suggested the value of complexity, resolution, and compromise rather than oversimplified absolutist binaries worth killing or dying for. The theater represented the music of the church's present and past. By bringing medieval and early Tudor drama into conversation with Elizabethan and Jacobean drama, Brokaw uncovers connections and continuities across diverse dramatic forms and demonstrates the staying power of musical performance traditions. In analyzing musical practices and discourses, theological debates, devotional practices, and early staging conditions, Brokaw offers new readings of well-known plays: Marlowe's *Doctor Faustus*, Shakespeare's *The Tempest* and *The Winter's Tale*, as well as Tudor dramas by playwrights including John Bale, Nicholas Udall, and William Wager.
