Reading - Part 2 J. Alexander Rutherford, 2019-09-30 If the Word of God is our anchor in the chaos of this world if it is our assurance that we can know the world and God its Creator we need confidence that we can understand this Word Reading and applying the Bible is essential to every facet of Christian life and ministry yet our ability to do so is under attack from a myriad of directions In Postmodern philosophy the possibility of communication is dismissed let alone communication from God In Biblical studies the amount of knowledge required to come to firm conclusions concerning the meaning and application of the Bible grows every day However the Bible is not so pessimistic about its accessibility Instead it presents itself as a clear word sufficient to guide and encourage Christians in every area of life Having outlined in Part 1 a method for reading the Bible in order to understand it The Gift of Reading Part 2 addresses the issues of hermeneutics or the theory of reading After briefly surveying the major approaches to reading the Bible throughout the history of the Church The Gift of Reading Part 2 argues for an understanding of the role of the text read and author based on a Biblical epistemology and

theology *God's Gifts for the Christian Life — Part 1* J. Alexander Rutherford, 2021-11-05 How are Christians to think about the intellectual tasks that make up everyday life in the modern world It is clear we are not to do so as the world does but what does it look like to engage Christianly in our thinking In the first part of the series *God's Gifts for the Christian Life* J. Alexander Rutherford shows how the Bible equips us to confidently engage in the interpretation of and engagement with the Word of God and the world he has created In God's rich mercy he has enabled us to know him his word and his world In a world where it is preposterous and arrogant to claim to know anything certainly we are in desperate need of renewed foundations In *God's Gifts for the Christian Life* see some of the ways that God through his limitless power has made available to us everything necessary for life and godliness 2 Peter 1:3 *Prevenient Grace* J. Alexander Rutherford, 2020-09-20 If a plant grows with shallow roots the storms of a season will wither away and uproot it like a house built on sand a poor foundation will doom its fate But this isn't a book on botany nor on architecture foundations good roots are essential to thought structures as well as material structures In theology a bad foundation will produce results as catastrophic as bad roots or shifting sand How we think about God and His work in the world will profoundly affect how we live and work out our Christian faith This book evolved from the conviction that a prominent theological system rests on a fragile foundation It is written as a small contribution towards refounding our understanding of God's relationship with the world and our salvation on His Word The theology in question is Arminianism the foundation is prevenient grace Deep within Evangelical Arminianism lies the essential doctrine that God has acted in the life of all human beings giving them enabling grace enough to respond or reject His offer of salvation The contention of this book is that this doctrine has no biblical grounds and is rationally unfounded and that Arminianism itself stands or falls on this doctrine *The Lion and the Lamb* Andreas J. Köstenberger, L. Scott Kellum, Charles L. Quarles, 2012-07-15 Engaging and accessible *The Lion and the Lamb* is an ideal resource for college students and others interested in knowing the essentials of each New Testament book A concise summary of *The Cradle the Cross and the Crown* the acclaimed New Testament introduction by the same authors this volume sets a new standard for high level up to date research presented in a core knowledge format that is practical relevant and easy to follow Part One features chapters on the nature of Scripture and the religious and political background of the New Testament Part Two covers the Gospels in the canonical order Matthew Mark Luke and John Part Three uses Acts as the framework for treating Paul's letters in chronological written order Galatians 1-2 Thessalonians 1-2 Corinthians Romans and the Prison and Pastoral Epistles Philippians Ephesians Colossians Philemon and 1-2 Timothy and Titus respectively Part Four includes discussions of the General Epistles Hebrews James 1-2 Peter 1-3 John Jude and Revelation Each chapter clearly discusses the book's key facts contribution to the canon historical setting literary features and theological message In all *The Lion and the Lamb* makes this learning exciting and rewarding *Encountering the Book of Psalms* C.
