Encounters with Wild Children Adriana S. Benzaquén, 2011-05-01 Through detailed readings of a wide variety of accounts debates and representations *Encounters with Wild Children* explores the many different meanings these children were given and the varied responses they elicited Adriana Benzaquén explains why wild children continue to haunt and fascinate Western scientists and shows how the knowledge they have generated in different disciplines including anthropology psychology psychiatry pedagogy linguistics and sociology has contributed to the shaping and reshaping of the modern understanding of the child and affected the social and institutional practices directed at all children in schools welfare mental health and the law *Encounters with Wild Children* Adriana S. Benzaquén, 1999 **Childhood and Cinema** Vicky Lebeau, 2008-05-15 Vicky Lebeau investigates how films use children to probe such themes as sexuality death imagination the terrors of childhood and hope *Encounters with the Other* Martin Calder, 2021-12-28 *Encounters with the Other* brings together a range of eighteenth century texts in which the exploration of lingua incognita figures as a prominent topos Drawing mostly on a corpus of French texts but also including a number of works in English Martin Calder attempts to realign well known texts with more canonically marginalized works The originality of the perspectives offered by this book lies in the comparative reading of works not previously conjoined *Encounters with otherness* are marked by a transgression of the limits of language occurring when language becomes alien or unfamiliar Alterity may take various forms a foreign language a familiar language marked by the traits of foreignness something unrecognizable as language or even one's own language breaking down as in madness Unfamiliar language may be produced by a foreigner by a child who cannot yet speak in extreme cases by something unrecognizably human in all cases by an agency somehow marked by difference Narratives of encounters with otherness have written into them narratives of the discovery of the self Implicitly informed by the reading techniques associated with literary theory *Encounters with the Other* offers an insightful commentary on issues surrounding colonialism cultural difference gender and the importance of language to identity Martin Calder's work challenges certain Eurocentric notions and exposes the problematic links between Enlightenment rationality and colonial expansion This book is of interest both to undergraduate students and to academic researchers and to a more general readership concerned with understanding the relationship between Europe the West and a wider world *Indians, Environment, and Identity on the Borders of American Literature* L. Smith, 2008-08-04 The authors discussed in this book including James Fenimore Cooper William Faulkner Toni Morrison Alice Walker and Leslie Marmon Silko place this cross cultural contact in nature not only collapsing cultural and racial boundaries but also complicating divisions between wilderness and civilization **Antient Metaphysics, Or, The Science of Universals** James Burnett, 2001 *List of Books in the Children's Department ...* Buffalo Public Library (Buffalo, N.Y.), 1898 *Children's Catalog of Thirty-five Hundred Books* H.W.
