Emmanuel Levinas Salomon Malka,2006 An in depth biography of Emmanuel L vinas twentieth century ethical philosopher and religious thinker that details Levinas s life and his contributions to modern continental thought Malka s journalistic approach includes personal accounts from L vinas s family friends colleagues and students Provided by publisher

Emmanuel Levinas's Talmudic Turn Ethan Kleinberg,2021-10-19 In this rich intellectual history of the French Jewish philosopher Emmanuel Levinas s Talmudic lectures in Paris Ethan Kleinberg addresses Levinas s Jewish life and its relation to his philosophical writings while making an argument for the role and importance of Levinas s Talmudic lessons Pairing each chapter with a related Talmudic lecture Kleinberg uses the distinction Levinas presents between God on Our Side and God on God s Side to provide two discrete and at times conflicting approaches to Levinas s Talmudic readings One is historically situated and argued from our side while the other uses Levinas s Talmudic readings themselves to approach the issues as timeless and derived from God on God s own side Bringing the two approaches together Kleinberg asks whether the ethical message and moral urgency of Levinas s Talmudic lectures can be extended beyond the texts and beliefs of a chosen people religion or even the seemingly primary unit of the self Touching on Western philosophy French Enlightenment universalism and the Lithuanian Talmudic tradition Kleinberg provides readers with a boundary pushing investigation into the origins influences and causes of Levinas s turn to and use of Talmud [The Existential Philosophy of Etty Hillesum](#)

Meins G. S. Coetsier,2014-01-09 In *The Existential Philosophy of Etty Hillesum* Meins G S Coetsier breaks new ground by demonstrating the Jewish existential nature of Etty Hillesum s spiritual and cultural life in light of the writings of Martin Buber Emmanuel Levinas and Dietrich Bonhoeffer Hillesum s diaries and letters written between 1941 and 1943 illustrate her struggle to come to terms with her personal life in the context of the Second World War and the Shoah By finding God under the rubble of the horrors she rediscovers the divine presence between humankind while taking up responsibility for the Other as a way to embrace justice and compassion In a fascinating accessible and thorough study Coetsier dispels much of the confusion that assails readers when they are exposed to the bewildering range of Christian and Jewish influences and other cultural interpretations of her writings The result is a convincing and profound picture of Etty Hillesum s path to spiritual freedom [Levinas's Rhetorical Demand](#)

Ronald C. Arnett,2017-03-15 This book provides an introduction to the importance of Levinas s work and an explication of the manner in which the practicality of his insights can assist ethical judgment within the human community **Through the Dark Field**

Susie Paulik Babka,2017 Theological discourse in the West has consistently valued the word over the image Aesthetics which discerns the criteria and value of the beautiful and

what pleases the senses is the discipline that prioritizes sensual intelligence over the rational this book advocates a reconsideration of the doctrine of the incarnation through an aesthetics of vulnerability in which the ethical optics of attention to the vulnerable other becomes the standpoint in which to ponder the significance of God became human Relying on such diverse thinkers as Emmanuel Levinas Maurice Blanchot Karl Rahner and Masao Abe Susie Paulik Babka explores visual art images and poetry as theological sources designating what Blanchot called a region where impossibility is no longer deprivation but affirmation

Witnessing Witnessing Thomas Trezise, 2014-05-01 Witnessing Witnessing focuses critical attention on those who receive the testimony of Holocaust survivors Questioning the notion that traumatic experience is intrinsically unspeakable and that the Holocaust thus lies in a quasi sacred realm beyond history the book asks whether much current theory does not have the effect of silencing the voices of real historical victims It thereby challenges widely accepted theoretical views about the representation of trauma in general and the Holocaust in particular as set forth by Giorgio Agamben Cathy Caruth Berel Lang and Dori Laub It also reconsiders in the work of Theodor Adorno and Emmanuel Levinas reflections on ethics and aesthetics after Auschwitz as these pertain to the reception of testimony Referring at length to videotaped testimony and to texts by Charlotte Delbo Primo Levi and Jorge Semprun the book aims to make these voices heard In doing so it clarifies the problems that anyone receiving testimony may encounter and emphasizes the degree to which listening to survivors depends on listening to ourselves and to one another Witnessing Witnessing seeks to show how in the situation of address in which Holocaust survivors call upon us we discover our own tacit assumptions about the nature of community and the very manner in which we practice it

Legacy Of Franz Rosenzweig Luc Anckaert, Martin Brasser, Norbert Max Samuelson, 2004 A representative survey of the contemporary Rosenzweig research gathering the state of affairs of the main spearheads of the research and it highlights the incentives for the programs to come

Answering a Question with a Question Lewis Aron, Libby Henik, 2009 Lewis Aron and Libby Henik have edited a fresh and intellectually challenging collection of essays Each contributor has original insights into history and practice of psychoanalysis the fascinating question of Freud's Jewishness and the role of psychoanalysis in modern Jewish self understanding Susannah Heschel Eli Black Professor of Jewish Studies Dartmouth College Book Jacket

Prophetic Politics Philip J. Harold, 2009-10-13 In Prophetic Politics Philip J Harold offers an original interpretation of the political dimension of Emmanuel Levinas's thought Harold argues that Levinas's mature position in *Otherwise Than Being* breaks radically with the dialogical inclinations of his earlier *Totality and Infinity* and that transformation manifests itself most clearly in the peculiar nature of Levinas's relationship to politics Levinas's philosophy is concerned not with the ethical per se in either its applied or its transcendent forms but with the source of ethics Once this source is revealed to be an anarchic interruption of our efforts to think the ethical Levinas's political claims cannot be read as straightforward ideological positions or principles for political action They are instead to be understood prophetically a position that Harold finds comparable to the communitarian

critique of liberalism offered by such writers as Alasdair MacIntyre and Charles Taylor In developing this interpretation which runs counter to formative influences from the phenomenological tradition Harold traces Levinas s debt to phenomenological descriptions of such experiences as empathy and playfulness Prophetic Politics will highlight the relevance of the phenomenological tradition to contemporary ethical and political thought a long standing goal of the series while also making a significant and original contribution to Levinas scholarship *The British National Bibliography* Arthur James Wells,2007 **Choice** ,2007 **Phenomenological Inquiry** ,2007 **Journal of Scholarly Publishing** ,2006

Jewish Book World ,2006 **The Writer's Market** ,1997 *The Legacy of Hermann Cohen* William Kluback,1989
 American Book Publishing Record ,2005 **John Paul II** Heinz Joachim Fischer et al.,2004-03-02 A quarter of a century ago the Catholic Church surprised the world by electing its first Polish pope fifty eight year old Karol Wojtyla who became Pope John Paul II The pontiff s charisma has made him a beloved figure even as he has struggled to represent and unite the disparate factions of the modern Catholic community Published in cooperation with Der Stern Germany s widest selling weekly magazine this timely book portrays the pope s complex personality and politics through texts by five internationally renowned authors accompanied by a series of stunning photographs that survey his life and work

Nietzsche's Legacy for Education Michael Peters,James Marshall,Paul Smeyers,2001 This collection of essays provides an introduction to Nietzsche s thought and educational writings and examines questions concerning the centrality of values for education in postmodernity
