Empowerment Evaluation Knowledge And Tools For Self Assessment And Accountability:

Empowerment Evaluation David M. Fetterman, Shakeh J. Kaftarian, Abraham Wandersman, 2014-09-10 This Second Edition celebrates 21 years of the practice of empowerment evaluation a term first coined by David Fetterman during his presidential address for the American Evaluation Association Since that time this approach has altered the landscape of evaluation and has spread to a wide range of settings in more than 16 countries In this new book an outstanding group of evaluators from academia government nonprofits and foundations assess how empowerment evaluation has been used in practice since the publication of the landmark 1996 edition The book includes 10 empowerment evaluation principles a number of models and tools to help put empowerment evaluation into practice reflections on the history and future of the approach and illustrative case studies from a number of different projects in a variety of diverse settings The Second Edition offers readers the most current insights into the practice of this stakeholder involvement approach to evaluation

Empowerment Evaluation David M. Fetterman, Shakeh J. Kaftarian, Abraham Wandersman, 1996 Empowerment evaluation a method for using evaluation concepts techniques and findings to foster improvement and self determination is the focus of this book After an examination of the method as it has been adopted in academic and foundation settings the book looks at the various contexts in which empowerment evaluation is conducted ranging from resistant environments to responsive environments Critical concerns in empowerment evaluation such as the role of empowerment theory and multiple levels of empowerment from individual to societal are then discussed The book also provides tools and technical assistance needed to conduct empowerment evaluation The concluding section of the book serves to strengthen the links between empow

Empowerment Evaluation David Fetterman, Shakeh J. Kaftarian, Abraham Wandersman, 1996 Empowerment Evaluation Principles in Practice David M. Fetterman, Abraham Wandersman, 2012-03-23 What principles should guide an empowerment evaluation And how can these principles actually be put into practice One of the primary tasks in an empowerment evaluation EE is to increase the capacity of program stakeholders to plan implement and evaluate their own programs This book presents the most current formulation of the 10 principles of EE and provides professionals and students with the tools to put these principles into practice Through case studies of diverse evaluation projects including community health foundation initiatives school district programs and a 15 million corporate program aimed at bridging the digital divide the founder and leading proponents of EE clarify key concepts and discuss important lessons learned Coverage includes how to balance program improvement efforts with accountability requirements how EE can be used to guide standards based work how to use EE in a learning organization the differences among empowerment collaborative and participatory evaluation and much more **Foundations of Empowerment Evaluation** David M. Fetterman, 2001 This timely addition to a new genre of evaluation methodology eschews the objectivity of an external evaluation in favor of internal value driven assessments that advance the goal of self improvement through self determination Fetterman offers down to earth clearly

written descriptions and explanations of an approach that reconciles the contingencies of organizational practice with the standards and principles of evaluation accountability He adroitly bridges the gap between the subjectivity of self evaluation and the objectivity of external evaluation by showing with case examples and detailed methods forms and narrative why empowerment evaluation extends the reach of standard evaluation practice Dennis Mithaug Teacher s College Columbia University What is empowerment evaluation When is it the most appropriate approach to use in an evaluation How can it best be implemented Aimed at demystifying empowerment evaluation the book shows readers when to use this form of evaluation and how to more effectively use its three steps developing a mission statement taking stock by identifying and prioritizing the most significant program activities and charting a course for future strategies to accomplish program goals Fetterman also illustrates the steps with four case examples ranging from hospital to educational settings In addition he covers how to use empowerment evaluation to meet the standards developed by the Joint Committee on Standards for Educational Evaluation the caveats and concerns about the use of empowerment evaluation the relationship between collaborative participatory stakeholder and utilization focused evaluation with empowerment evaluation the role of the Internet in disseminating empowerment evaluation and an analysis of the strengths weaknesses and conditions of empowerment evaluation This book will guide evaluators exploration of their roles as coaches facilitators and advocates as well as enable them to more effectively use this innovative evaluation technique Evidence-Based Practice Manual Albert R.
