Encountering Ancient Voices:

Encountering Ancient Voices Corrine L. Carvalho, 2006 Designed to get students to read the Bible for themselves this introduction to and overview of the Old Testament draws on the most recent research on the Hebrew scriptures to outline the historical social and cultural contexts out of which the biblical texts were produced From publisher description

Encountering Ancient Voices Corrine L. Carvalho, 2013 **New Collegeville Bible Commentary: Old Testament** Daniel Durken, 2015-12-17 Concise and accessible this one volume edition of the New Collegeville Bible Commentary Old Testament draws together the individual contributions to the Old Testament series and offers them to readers in a convenient and attractive format Written by an array of respected scholars the individual commentaries collected here bring expert insight into the Old Testament to Bible study participants teachers students preachers and all readers of Scripture A first rate reliable resource for Bible study and reflection the New Collegeville Bible Commentary Old Testament answers the Second Vatican Council's call to make access to Scripture open wide to the Christian faithful **Masculinities in the Court Tales of Daniel** Brian Charles DiPalma, 2018-02-02 In this volume Brian Charles DiPalma examines masculinities in the court tales of Daniel as a test case for issues facing the burgeoning area of gender studies in the Hebrew Bible In doing so it both analyses how the court tales of Daniel portray the characters in terms of configurations of masculinity in their socio historical context and also seeks to advance gender studies in the Hebrew Bible on theoretical methodological and political grounds Masculinities in the Court Tales of Daniel is therefore of interest not only to scholars working on Daniel but also biblical scholars studying gender in the Hebrew Bible more broadly including those engaged in feminist criticism queer criticism and studies of masculinity as well as anyone studying gender within an ancient Near Eastern context *Men and Women in the Household of God* Korinna Zamfir, 2013-04-10 Korinna Zamfir explores the manner in which the Pastoral Epistles redefine roles and ministries within a changed ecclesiological framework the *ekklesia* as *oikos* *Theou* The contextual investigation focuses on the cultural and social background of the station codes and church orders Applying the environmental approach advanced by Abraham Malherbe Zamfir discusses the Pastoral Epistles as writings intimately linked to their Greco Roman social and cultural environment The volume addresses the mentalities reflected in moral philosophies political theories drama and epigraphy focusing on the discourse articulated in these sources Exploring the adoption of conservative mentalities the monograph advances a reading of the Pastoral Epistles based on ideology critique It also incorporates insights gained from research on the social world of earliest Christianity in particular on private associations Korinna Zamfir argues that the ecclesiology of the Pastoral Epistles presupposes the metaphorical use of *oikos* *Theou* and shows that in Greco Roman antiquity *oikos* denotes larger social entities like the religious association the polis and the cosmos The *ekklesia* is the *oikos* and polis of God As a consequence the Pastoral Epistles define roles and ministries based on the public private divide and on honor and shame mentality The theological and cosmic dimension of the household of God

explains the essentialist understanding of social and ecclesial roles The author also tackles the contrast between discourse and ecclesial reality **Journal of Latin American Theology, Volume 12, Number 1** Lindy Scott, 2017-05-02 Special Issue on Being Faithful to God in the Era of Trump What does it look like to live as citizens under God's reign and as seekers of God's justice in today's world Donald Trump was inaugurated as the US president on January 20 2017 Whenever there is a new person in that position it is good for followers of Jesus Christ to pause and reflect under the light of Scripture regarding not only the new president's policies but also our own responsibilities as the people of God This issue of the Journal of Latin American Theology is our invitation to pursue that hard work of reflection and action The resounding message is that Christians today need to express a faithful public witness that Jesus Christ is Lord The articles herein discuss certain facets of such faithfulness what it means to be the people of God just stewardship of money in light of international trade agreements living simply and working hard to care for the planet God has entrusted to us Christ centered as opposed to fear based relations between native born and foreigners understanding and acting upon the biblical connection between shalom and justice and responding carefully to those who face scarcity in the land of plenty May our readers be equipped to live as more faithful representatives of God's all encompassing reign **Theology from the Great Tradition** Steven D. Cone, 2018-02-22 This textbook provides complete and comprehensive coverage of the theological tradition of Aquinas Maximus Luther Irenaeus Lonergan von Balthasar Schmemmann Meyendorf and Barth Each section of this textbook explores a wide variety of questions who are we Is there a God and if so what is his nature Who is Jesus What does it mean that we live both in sin and righteousness It consists of 15 modules that are comprised of 46 chapters Each module has two parts there are systematic chapters that discuss and explain each module's topic and the final chapter of each module examines 4 to 6 primary sources that are important for each topic This textbook includes an extensive range of pedagogical features Sample tests in which each objective question has been quality tested by classroom use with a discrimination index A discussion guide for each chapter Learning objectives linked to each chapter The text includes bold faced terms boxed text sections that identify central figures and points of debate study question chapter summaries glossary **A CHRISTIAN PERSPECTIVE ON ISLAM'S ORIGINS** Gabriel Aryeh, 2024-01-24 A BRIEF SYNOPSIS OF A CHRISTIAN PERSPECTIVE ON ISLAM After several interactions with Muslims of distinct sects in the Bronx community NYC schools and the workplace through the decades Aryeh observed how some professing Christians were led to believe in the Islamic claim of Muhammad's legitimacy as a prophet Although a few maintained the belief that Jesus remained holy as a prophet they suggested he was a mere man and abandoned their past confessions regarding his divinity Nevertheless the more astounding claim many ex Christians and Muslims made suggested that the Jewish and Christian God found in the Bible identified as the same deity of the Qur'an Hence these claims above initiated the primary reasons for delving deep into the study of Islam and writing this book for the sake of not only reaching many believers who erred from Christianity but the Muslims who believed that Allah identified as

the God of the Jews and Christians Indeed the enormous task of disproving Islam as an extension of the Abrahamic faith required many investigations into the questions raised by such astonishing claims This book makes deep inquiries into the historical and theological assertions found in the Islamic faith concerning Allah Muhammad and the religious practices observed today which have survived for little over fourteen centuries Consequentially the unfortunate misconceptions taught about Islam in many church pulpits since the early days of this researcher s youth stemmed from books found in academia and some Christian libraries which promoted a worldwide narrative by selective favorable historical accounts based on political ideologies instead of rigorous theological investigation The Christian perspective on Islam examines the theological origins of the Islamic faith by first investigating the geographical locations alleged as the nascent religion s early beginnings by exploring the historical and societal development of the Arab peoples Second this book probes the legitimacy of Muhammad as a divinely ordered prophet by consulting the Judaic traditions derived from the Jewish Scriptures explaining the qualifications of authentic prophethood Finally the sequential order of inquiry laid out above will highlight the emergence of the theology and residual religious rituals observed today in the Islamic world and therefore conclusively demonstrate that Islam remains unaligned with its Jewish and Christian predecessors **Biblical Exegesis, Fourth Edition** John H.

Hayes, Carl R. Holladay, 2022-10-04 This is a beginner s guide to biblical exegesis providing exegetical methods practices and theories This book provides simple helpful information and guidance about doing exegesis without being overly prescriptive succinctly introduces students to various methods provides basic bibliographies that take students beyond an introductory discussion and emphasizes exegesis as an everyday activity based on commonsense principles rather than as an esoteric enterprise This revised edition of this perennially best selling textbook includes discussions of emerging methods of interpretation aimed at a contemporary audience Several chapters have been updated and improved and readers will find an incisive new chapter on exegesis with a focus on identity and advocacy Holladay has also written a new concluding chapter on exegesis as the art of seeing Bibliographies are updated and a helpful glossary is included in this new edition

Encountering the Book of Psalms C. Hassell Bullock, 2001 Introduces students to the study and interpretation of the Psalms **Prophets Male and Female**, 2013-06-05 Because gender is an essential component of societies of all times and places it is no surprise that every prophetic expression in the ancient social world was a gendered one In this volume scholars of the biblical literature and of the ancient Mediterranean consider a wide array of prophetic phenomena In addition to prophetic texts of the Hebrew Bible the essays also look at prophecy in ancient Mesopotamia and early Christianity Using the most current theoretical categories the volume demonstrates how essential a broad definition of gender is for understanding its connection to both the delivery and the content of ancient prophecy Attention to gender dynamics will continue to reveal the fluidity of prophetic gender performance and to open up the ancient contexts of prophetic texts The contributors are Roland Boer Corrine Carvalho Lester L Grabbe Anselm C Hagedorn Esther J Hamori Dale Launderville Antti

Gladson,2009 This work is a comprehensive advanced introduction to the five books or scrolls in the Hebrew Bible that constitute the Megilloth a distinctive minor collection within the canon of the Hebrew Bible **A Deeper Walk** Rick Diamond,Family Christian Stores Staff,2003 A collection of thought provoking writings taken from the publications of Relevant Media Group *The Catholic Periodical and Literature Index* ,2009

Ezekiel, Daniel Corrine L. Carvalho,Paul V. Niskanen,2016-12-01 The books of Ezekiel and Daniel provide some of the most memorable stories and images of the Old Testament Ezekiel the wild prophet of the Babylonian exile gave us images of the blazing wheeled throne of God leaving Jerusalem and the valley of dry bones that only God could restore to life Struggling to prove his authenticity as a prophet Ezekiel gives hard messages to the people of Israel that predict the fall of Jerusalem and punishment of all the nations At the heart of the fiery speech and actions however is someone trying to explain how Jerusalem could fall and Israel could lose the Promised Land In the end there can be no mistake about his message of God s power and the cost of Israel s unfaithfulness The prophet Daniel s message balances that of Ezekiel s offering stories of God s faithfulness to those who keep the law The dramatic stories of the three men in the fiery furnace and Daniel in the lion s den as well as the account of Susanna and the elders show God s saving power to those who are faithful Daniel s message is one of hope for a people living under severe oppression during and after exile Combining storytelling prophecy and apocalyptic this book puts history in the context of God s larger plan for humanity *American Book Publishing Record* ,2006
