humor than another And each contributor found that experiencing humor changed the interpretation of the biblical passage From Genesis to Revelation this study uncovers the Bible's potential for humor *Fallenness, Sustainment, and Judgment* Albert R. Portillo, 2025-01-21 This book seeks to establish a basis for coherency in Qohelet's theological appeal by analyzing a thematic trajectory underpinned by the rhetoric of Qohelet's emphasis on vanity joy and judgment These emphases follow what have been labeled projectile themes which aim at particular points of Qohelet's message carrying the audience through Qohelet's flow of thought These thoughts are deeply correlated and best recognized as the substance forming Qohelet's framework from which Qohelet's teaching flows In other words Qohelet's thoughts revealed by his thematic emphases and endpoint function as an evangelistic appeal to a theological worldview whereby the minds and hearts of his audience are directed to a present and future reality in the fear God concept This present and future reality follows the premise that humanity enters a fallen world God sustains humanity amid the fallenness and God preserves the lives of those who fear him on the day of judgment What is ultimately discovered is that coherence in the course followed by the projectile themes of fallenness sustainment and judgment forms a framework guiding a trajectory in Qohelet aiming at an appeal to righteous living and eschatological hope *"An Ancient Psalm, a Modern Song"* Alessandro Guetta, 2022-07-18 This volume presents the culmination of research on an almost ignored literary corpus the translations into literary Italian of classical Hebrew texts made by Jews between 1550 and 1650 It includes poetry philosophy and wisdom literature as well as dictionaries and biblical translations produced in what their authors viewed as a national tongue common to Christians and Jews In so doing the authors translators explicitly left behind the so called Judeo Italian These texts many of them being published for the first time are studied in the context of intellectual and literary history The book is an original contribution showing that the linguistic acculturation of German Jews in the late 18th century occurred in Italy 150 years earlier *Being God's Image* Carmen Joy Imes, 2023-06-06 What does it mean to be human For this timeless question the Bible offers truths for the flourishing of all creation Carmen Imes recovers the theologically rich creation narratives and explores the implication of our kinship relationship with God considering what it means for our work gender relations creation care and eternal destiny
