E Learning Strategies For Delivering Knowledge In The Digital Age:

E-Learning: Strategies for Delivering Knowledge in the Digital Age Marc J. Rosenberg, 2000-11-16 Internet and intranet technologies offer tremendous opportunities to bring learning into the mainstream of business E Learning outlines how to develop an organization wide learning strategy based on cutting edge technologies and explains the dramatic strategic organizational and technology issues involved Written for professionals responsible for leading the revolution in workplace learning E Learning takes a broad strategic perspective on corporate learning This wake up call for executives everywhere discusses Requirements for building a viable e learning strategy How online learning will change the nature of training organizations Knowledge management and other new forms of e learning Marc J Rosenberg Ph D Hillsborough NJ is an independent consultant specializing in knowledge management e learning strategy and the reinvention of training Prior to this he was a senior direction and knowledge management field leader for consulting firm DiamondCluster International

E-Learning , The ASTD E-learning Handbook Allison Rossett, 2002 The entire training industry is undergoing dramatic change as training is moved out of traditional classrooms and onto the Web Training publications and conferences are now dominated by speakers writers and vendors talking about e Learning The e Learning revolution is forcing companies to spend millions on new technology and new web based courseware threatening the role of traditional classroom trainers and saving companies millions of dollars in housing and travel costs because trainees no longer need a plane ticket and 3 nights accommodation to attend a corporate training program the training can be delivered to each learner s desktop over the Web But because e Learning is still in the revolution stage there are no clear standards and models for how to create and deliver e Learning successfully Everyone is asking the same questions how does web based training fit in with traditional classroom based training What are the standards for designing high quality e Learning How much interaction with an instructor do e Learning participants need What is the role of the instructional designer in online learning The ASTD e Learning Yearbook will be the first annual reference
