Environmental Issues & Solutions Norman Myers, Scott Spoolman, 2013-01-01 Focused on and organized around environmental issues this innovative new book engages students and helps them critically evaluate possible solutions to the environmental problems we now face The authors outline specific environmental issues and provide the scientific background to enable students to understand each issue In order to find and apply solutions to these problems they

help students see that the problems are not insurmountable and that something can be done to achieve a sustainable future. The modular chapters provide full descriptions of each of the major environmental problems with real stories about what people are doing to tackle the resulting challenges. Overall ENVIRONMENTAL ISSUES AND SOLUTIONS A MODULAR APPROACH International Edition offers great flexibility for instructors and provides students with tools for building a sustainable future.
