Stabbing in the Senate Colleen J. Shogan, 2015-11-15 When Senate Staffer Kit Marshall stumbles upon her boss's dead body she becomes the prime suspect in his murder. If she ever hopes to work on Capitol Hill again she must prove she had nothing whatsoever to do with his death. And that means finding the real killer. Book 1 in the Washington Whodunit mystery series.

Homicide in the House Colleen J. Shogan, 2016-06-15 Kit Marshall has bounced back from her first brush with the law when she was suspected of murdering her senator boss. Now she is working for a freshman congresswoman, Maeve Dixon, a young Gulf War veteran representing North Carolina. It's February and Kit is feeling out of sorts. A government shutdown has just been announced, wreaking havoc on the Hill, and Dan Dixon's chief of staff and Kit's supervisor is an inexperienced lightweight flying blind. Then there's Kit's distracted live-in boyfriend Doug who doesn't seem any closer to popping the question. Kit's best friend Meg is up to her eyeballs with her new beau and oversight committee job, and Clarence the beagle mix will certainly not win Capitol Canine if Meg has to campaign for him all by herself. Bad as things are now, they are about to get much worse. Early one morning Representative Dixon is caught standing over the corpse of Jack Drysdale, the Speaker of the House's top staffer, a man she argued with in front of the press the day before. The murder weapon was the Speaker's gavel. This item was entrusted to Dixon at the time, leading the police to believe they've found their killer. To save her job, Kit must clear her boss's name, and quickly. Dixon's career may be over if the police declare her a suspect, or an anonymous blogger known as Hill Rat breaks the story. Solving this murder will test Kit's courage and all her fledgling powers of deduction as she roams a spooky, sparsely populated Capitol Hill looking for clues and sounding out suspects. Book 2 of the Washington Whodunit series, which began with *Stabbing in the Senate*.

K Street Killing Colleen J. Shogan, 2020 As chief of staff for Representative Maeve Dixon, Kit Marshall knows her job is on the line. Dixon faces a tight race for reelection, making her final fund-raiser count more than ever. The event is held at a ritzy rooftop restaurant, but the night ends in tragedy: powerful lobbyist Van Parker plummets from the rooftop to his death. Kit doesn't think Parker jumped. Neither do the police. Nothing tarnishes a reelection campaign like a murder investigation, so Kit must use all her sleuthing skills to help catch the killer. Who wanted the ambitious Parker dead? Apparently lots of people in DC's cutthroat world of lobbying. With the campaign clock ticking, Kit is running out of time. Because whoever killed Parker wants her to stop digging for clues, or she won't just be out of a job; she'll be dead. Back cover.
