REMEMBER

- Think about the context of the sentence or dialogue as the test may give you a clue.
- Look carefully at the words before and after the gap. Some words can only be used with certain prepositions.
- Look out for fixed expressions and dependent prepositions after certain verbs and linking words and phrases.
- Remember that the three main choices are grammatically incorrect in some way.
- Read the sentence or dialogue through again when you have chosen your answer to see if it "sounds" correct.
