like to be a part of that 71.6% and I know how hard it is to lose weight but I followed simple advice that you will find in this book and managed to improve my quality of life by losing weight. Now as a Qualified Personal Trainer it is clear to say the change in my lifestyle has brought the best out of me and I want to help you make that change. This book will help you make a great start to your weight loss journey. Getting started is the hardest part because you don't know what to do, you don't want to waste time, you don't want to spend money on gyms and most of all you need motivation. This book will provide you with many beginner exercise routines to follow, a starter 6 week workout plan, lots of basic dietary information and much more to get you burning fat efficiently. Although maintaining a healthy lifestyle is tough, it's necessary to make a change to your current situation. I couldn't count all of the health risks you have by being overweight with one hand and unfortunately there aren't any magic drinks out there that will make you burn all of your fat overnight. This book mainly focuses on providing you with many basic workouts to get you on track to lose weight. By following the information in this book and putting in the work, you will be able to lose weight, burn fat at a consistent rate and maintain a healthy lifestyle for the foreseeable future. This book is for beginners and takes into consideration the restrictions that people face. My friend with a BMI of 33.1 and osteoarthritis in both knees managed to follow my advice to become slimmer, more confident and experience less knee pain in just 6 weeks. So if restrictions didn't stop him, why should it stop you? This isn't just a standard exercise guide, although it is set up for 6 weeks, there is enough information to help you carry it on further. Not only that, but by reading this book, you'll discover: The Six Week Starter Workout Routine to Follow from Home, How to Correctly Prepare for Exercise, The Simple Diet That Accelerates Weight Loss, An Insight on How to Adapt Your Mindset to Reach Your Goals, Many Steps on How to Leave Your Unhealthy Lifestyle Behind, 35 No Equipment Exercises. If you continue to live your current lifestyle without making a change, then your health will only get worse.
