Chakras for Beginners Ascending Vibrations, Always wanted to know how to easily understand supercharge

your body's energy centers but always end up overwhelmed. Keep reading. Chakras are an ancient spiritual part of life that countless people have sought to bring happiness, fullness, balance into their lives. Countless generations have passed this practice on for thousands of years. The fact that chakra work is still a practice in the 21st century proves that the benefits of chakra alignment, balancing, have long-lasting effects and will continue to have an impact in the future. Unfortunately, so many people are stuck in suffering because they don't realize how simple it is to benefit from understanding the chakras. To function well, chakras need to remain open and balanced. If they become blocked or unbalanced, they can cause a wide variety of physical and mental symptoms since they are connected to our nerves, organs, and mentality much more. What chakra blockages or imbalances are you suffering from right now? Want to know how easy it is to direct energy to your chakras to unblock or balance them? It's easier than you think. While seated, gradually lift your legs one at a time. Work your core chakra without distracting your mind. This brings energy into the solar plexus. Breathe the Prana, life force energy from the universe into your stomach, hold it there before releasing your breath. Imagine a bright yellow flame in the middle of your abdomen, glowing, warming you as you fill that chakra with self-confidence, igniting your self-potential. You can supercharge this exercise by chanting the seed mantra for this chakra, Ram. Want to know an easy but powerful yoga pose that benefits the root chakra? To get into the tree pose or Vrksasana, stand up straight, lift your arms up above your head. Then bring them down so your hands are joined over your heart chakra. Lift one of your legs up so that your knee is pointing out to the side, your foot is flat against your other leg. This helps ground you, brings about mental and physical balance. You'll discover the tiny movement you can do from literally anywhere that snowballs solar plexus energy. Ancient discoveries of our energy centers, how they can help us today. The supportive energy center that can be difficult to manage, the overlooked reasons why. An easy chakra rundown that anyone can immediately understand and benefit from. The real reason you could be suffering from emotional overwhelm. Easy chakra-boosting yoga poses that you can benefit from right now. A breakdown of the most powerful stones to accompany your chakra work. The unbelievably passive way to aid digestion, clear fear of rejection, manifest, boost self-discipline with no work. How to skyrocket self-love, romantic love, deep compassion for others in your sleep. A treasure trove of bonuses including a companion video course with over 4.5 hours of empowering content, energy-tapping videos, powerful guided meditations, journals, so much more, much more. Chakras for beginners is a helpful little guide to assist you in taking your first steps into the world of chakras, provide you with a loving hand into what can otherwise seem like an intimidating, inaccessible world. Take a second to imagine how you'll feel once you're able to easily use the power of balanced chakras to reach your full potential. Imagine how your body, mind, soul will feel once you align your energy centers, channel unlimited loving, creative, intuitive energy. So if you have a burning desire to reap the amazing benefits of opening yourself up to universal Prana energy, then turn the first page.
