

A top-down view of a gardening workspace. The background is a dark, textured surface, possibly a table or ground, covered with various gardening items. In the center, there's a pile of dark brown soil. Surrounding the soil are several potted plants: a green, leafy plant in a terracotta pot on the left, a basil plant in a wooden crate on the right, and a small green plant in a black pot at the bottom. There are also some dried, brown plants in the top left. Gardening tools are scattered around: a trowel with a wooden handle and a metal head is in the top center, a fork-like tool is on the left, and another trowel is in the bottom center. A small, round, brown object, possibly a seed packet or a small pot, is near the bottom right. The overall scene is well-lit, with the plants and tools clearly visible against the dark background.
